
God Is Love

Verse 1

God is love,
But my suffering still finds a place to encounter him.
Painful memories relive what experience knows.
In prayer, he calls me home.

Verse 2

God is love,
And helps me climb out from a lonely abyss of grief,
Because depression can visit so dreadfully near
Before my vision clears.

Chorus

God is love: a prayer away.
God is love: I cannot understand his care.
I'm so small and feel alone
Yet God loves me, God loves me, God loves me.

Verse 3

God is love,
Even if there's no door called success that will open to me
And I'm not coping very well and lost confidence
He still calls me his own.

Verse 4

God is love,
Even when my life's ticking clock eventually stops
I know I'll see and thank him on the very next day
After he calls my way.

Chorus

Chorus

Ending

Yet God loves me
Yet God loves me
