With the addition of Striker™ and Focus™ guitars to our product line, we are able to offer the musician a quality instrument at a moderate price.

All Kramer™ guitars are made of the finest materials available - Striker™ and Focus™ are no exception. Special features such as chrome hardware and the Floyd Rose Tremolo™, sets these guitars apart from others in their price range.

At Kramer, we listen to what our customers say . . . so, if you have any suggestions on how we can improve our product, please send them to my attention.

Thank you for your support.
Best Wishes,

Dennis Berardi
