

CITY COUNCIL HEARING

April 4th, 2:00pm
City Administration Building
202 C Street San Diego, CA 92101
(12th floor, Council Chambers)

Make sure that your voice continues to be heard by our City Officials and attend the City Council meeting!

We strongly believe that The Overture is the catalyst for real change and are encouraged by the strong momentum in support we have received from the community. Please act now and help us cross the finish line – bring us into #ANewCStreet.
