## CONTACTS

A free and inspired mind, Ana Moussinet owes her expertise to her architecture diploma from the Paris school of Fine Arts, and to her professional experience working with a creative studio. Creation as an art form, technique as the foundation. To her, space is a material to be carved and sculpted, to be embellished before it can be inhabited.

Her slavic roots inspire her on a daily basis and lend her practice a sensitive, vibrant feel. An architect by training, she 'sculpts' spaces of all dimensions. From exclusive Parisian homes to prestigious hotels halfway around the globe, and even in her collaborations with design brands, Ana tackles each project with the same enthusiasm, the same know-how.

Ana's stylistic vocabulary blends together French elegance, contemporary design and slavic joie de vivre, inspiring her to draw the lines for each of her interiors to make it one of a kind, tailored exactly to her clients and users.

La Manufacture is a brand where design and fashion collide. A brand where a certain je ne sais quoi of French allure meets the best Italian craftsmanship. A certain idea of French lifestyle (re) interpreted by world-renowned international designers. Each collection will highlight world-class craftsmanship, timeless aesthetics and enduring quality.
