

# NEVER UNDERESTIMATE THE POWER OF A STICKER.

JOIN THE CAUSE AND HELP THOSE WHO  
NEED TO REACH OUT, REACH OUT.

CRISIS TEXT LINE |

Speck and Crisis Text Line have partnered to create The Sticker Project—a program to make sure that anyone in crisis knows how to get help. Crisis Text Line offers free, 24/7 text-based support and, together, we'll be sure everyone knows exactly how to get it.

Order a pack of stickers to spread the word at your school, library, community center, recreation center, or religious organization. Encourage everyone to place these stickers in the bathroom at their school, the local mall, gym, movie theater, or anywhere else they can make an impact.
