

# Boundary Lines of Various Countries for Competitive Exams

We collected the **list of international boundary lines**. We covered almost all boundary lines. Exam point of view we divided two categories those are **important boundary lines** and other boundary lines. Focus on the first category for exams in that remember international boundary lines of India. Mostly we can expect questions on boundaries of India with neighboring countries. Questions would be the boundary line between India and Bangladesh, boundary line between India and Nepal, and 20th parallel north line between which countries.
