

ORAL REGIMENS

Though we all try to keep our cool, anxiety rarely flares up when it's convenient for us. Likewise, chronic pain doesn't often wait for you to get home to your medicine cabinet. Take these gel caps, powders or gummies orally as suggested for convenient, portable, all-natural relief when you need it, where you need it.

TINCTURES

Chronic pain and anxiety come in all forms. The path to relief should as well. These tinctures are designed to give you the freedom to use them in the way that works best for you. They can be rubbed on topically for localized relief or taken as drops under the tongue for a fast-acting overall effect. When you need to tailor the treatment to the trouble, these tinctures are the ticket.

TOPICAL REGIMENS

Chronic pain can be a hassle. It's not fun when you feel it in your hands and joints. It can make it difficult to accomplish simple tasks, and hard to focus on the things and people that matter most. Apply topically, and these salves, lotion and gels will help soothe your pain so you can be calm, present, and focused without worrying about aches and pains.
