

Memory Game

Allah Made

Set Up: Print this page and glue it on a piece of card (the card from a cereal box will do). Ensure the back of each card is plain with not design. Next, cut out the circles.

Can you remember all these things Allah made?

Memory & Motor Skills

Age 4+

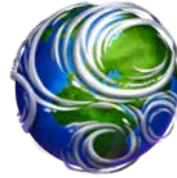

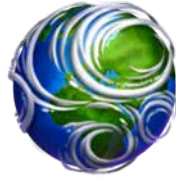

Memory Game

Play: Place the cards face-down. Turn over a pair of cards. If they match, keep them and say "Allah Made... (describe what you see on the cards)". If the cards don't match, turn them over and let your partner have a go. The player with the most cards, wins!
