

BATTLE BLUEPRINT

JAMES 1:14-15

carried away - (Exelko) to draw out; lure forth: in hunting and fishing as game is lured from its hiding place
lust - (Epithumia) desire, craving, longing, desire for what is forbidden, lust
entice - (Deleazo) - to bait, catch by a bait; to beguile or deceive

Tempters: Satan, World

Our "own lust" or "flesh" is developed over time as patterns of thinking and behaving; temptation is where we are baited and deceived to fulfill our needs, drives, passions and/or desires after the flesh (apart from Christ).

Experiencing victory is believing the truth that we are dead to sin and alive to God, trusting the sufficiency of Christ's life within to overcome temptation.

1 Cor. 15:57, 1 John 4:4, 5:4

(Sullambano) - to seize for one's self

Sin is where we seize the bait to fulfill our own needs, drives, passion and/or desires thus missing the mark of God's power and grace
