

Biological Engine De-Greaser & Bilge Cleaner

A concentrated biological preparation formulated to quickly cut through grease & oil with ease. The advanced detergent & enzymatic combination make this non-flammable formula an excellent choice for both engine cleaning and dealing with heavy duty spills of grease and oil.

Our Biological Engine De-Greaser & Bilge Cleaner is readily biodegradable. The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) 648/2004 on detergents and is non flammable. In addition, the enzymes are biodegradable and friendly to the environment.

How to Use

Spray or brush onto engine & leave stand for 10 minutes, rinse off.

Dilution Rates

Heavy duty degreasing 1:10 to 1:30. Lighter soils and general cleaning up to 1:300

Health & Safety

Risk of serious damage to eyes. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water and seek immediate medical advice. Harmful if swallowed. Product contains enzymes. Avoid inhalation of a fine spray of the product concentrate. Avoid repeat inhalation of a fine spray of the product concentrate as this may produce allergic type reactions in sensitized individuals. For best results store product in a cool, dry place.
