- Power Point Slides

Possible Modification

You could add a few of the baby picture of your leaders into the game to make it more personal.

Instead of having two contestants you can choose two small groups of students that can work together to try and guess the person by their baby picture.

How to Play

A simple power point game where students try and guess a celebrity by their baby picture. Choose two contestants to play the game upfront. A baby picture will be shown, followed by a few multiple choice options. Students will go back and forth guessing the person. The person that has the most correct answers at the end of the game will be the winner.

Pro Tip:

This is a great game to play when you are talking about young leadership or talking about identity. Linking your games with your message is another opportunity to solidify and help student remember when is being talked about.
