Gem – Seatings
Design by Sebastian Herkner

Design needs personality. **Gem** collection is based on the elegant and smoothly lacquered organic pearls creating various tables. We used those shapes to create three seating objects. A pouf, a stool and a bench.

Already familiar with the floating tabletops, there are now soft seating elements floating on the gems.

The new models are wonderful complements for the interiors.

SEBASTIAN HERKNER

The German designer Sebastian Herkner, born 1981, studied Product Design at HfG Offenbach University of Art and Design. Designing objects and furniture, he honed his keen sense for materials, colors and textures. After working for Stella McCartney in London, Sebastian Herkner founded his own studio in 2006 and he has designed furniture, lamps and smaller items for manufacturers.

An unconditional love for traditional craftsmanship paired with a good feel for new technologies, a true flair for color, authentic materials and textures, an unadulterated curiosity for different cultures, these are the characteristics of Sebastian Herkner's work, from objects and furniture creation to interior architecture projects.

His works have won numerous prizes.

Maison&Objet Paris has also elected him 2019 "Designer of the Year".

LA MANUFACTURE

La Manufacture is a brand where design and fashion collide. A brand where a certain je ne sais quoi of French allure meets the best Italian craftsmanship. A certain idea of French lifestyle (re) interpreted by world-renowned international designers. Each collection will highlight world-class craftsmanship, timeless aesthetics and enduring quality.
