# CITRUS POWER CLEANER PLUS

**D107**

- ◀ Low-foaming, solvent-free, concentrated APC for interior & exterior detailing
- ◀ Extractor, air tool & hand-use friendly
- ◀ Safe on carpets, upholstery, leather, plastics & more

**FOR PROFESSIONAL USE ONLY. NOT INTENDED FOR RETAIL SALE.**

**BODY SHOP SAFE**

Safe and effective on many surfaces, **MEGUIAR'S® CITRUS POWER CLEANER PLUS** is the ideal low-foam solution for professionals needing to quickly and completely remove grease, grime and stains from carpet, upholstery, leather, plastics, engines, and tires. This solvent-free formula is ideal for hot/cold extraction machines, as well as air-powered cleaning tools. Leaves carpet clean, smelling pleasant, and the fibers soft with no sticky residue.

**DILUTION:** Heavy Strength 4:1 Medium Strength 10:1

**DIRECTIONS:** Dilute to recommended strength and spray onto towel or brush and then scrub or wipe the desired surface. For more stubborn stains, spray directly onto the surface and let sit for 30-45 seconds, then thoroughly rinse clean with water. Do not allow to dry on the surface.

**PROFESSIONAL TIPS:** For stronger cleaning and long term extractor machine performance, it is best to apply Citrus Power Cleaner Plus directly to carpet and upholstery. Use the machine for rinsing and extraction only. By running only water through the machine, the pump will last longer. Read Meguiar's Detailer Technical Bulletins and Application Bulletins for more product information and professional tips.
