WORK EXPERIENCE

PROJECT MANAGER

Mundo Builders Inc. | August 2025 – Present

- Oversees high-rise fit-out construction and renovation projects (Park Central Towers, 31st–40th floors) by managing schedules, coordinating trades, supervising site execution, and ensuring quality, safety, and timely delivery.

SENIOR PROJECT MANAGER

Maya Builders Inc. | October 2024 – August 2025 (11 Months)

- Led full renovation and fit-out projects for commercial and restaurant developments, coordinating multidisciplinary teams of engineers and architects while improving workflow efficiency and minimizing project delays.

PROJECT MANAGER

Maya Builders Inc. | September 2022 – October 2024 (2 Years, 1 Month)

- Managed multiple construction renovation projects covering architectural, civil, structural, plumbing, electrical, and mechanical works, ensuring projects were delivered within scope, budget, and schedule.

SITE ENGINEER / FREELANCE CONTRACTOR

Freelance & OJT | 2018 – 2021 (3 Years)

- Served as overall construction lead for residential repairs, repainting, and renovation projects, handling site supervision, procurement, and day-to-day coordination to ensure quality execution.
