Results-driven Web Developer with 8+ years of experience in WordPress development, front-end engineering, SEO, and eCommerce solutions, specializing in building responsive, high-performance websites using modern frameworks and CMS platforms. Proven track record of developing custom WordPress, Shopify, and Next.js applications from scratch, implementing on-page SEO strategies, optimizing website performance, and managing end-to-end web projects for clients across diverse industries.

WORK EXPERIENCE

FRONTEND ENGINEER (NEXT.JS / REACT)

Freelance & Independent Projects | January 2024 – March 2026
(2 Years, 3 Months)

- Architected and developed high-performance web applications using Next.js, React, and Tailwind CSS, built custom admin dashboards, implemented server-side functionality, and integrated headless architectures with PostgreSQL databases.

WEB/WORDPRESS DEVELOPER

HireVP/CL Visual | March 2025 – March 2026 (1 Year, 1 Month)

- Developed company and client websites using WordPress, delivered portfolio and business websites, and implemented website enhancements aligned with client requirements.

WEBSITE ONBOARDING SPECIALIST

Housecall Pro | August 2024 – January 2025 (6 Months)

- Managed website onboarding processes, handled client website revisions, resolved website development issues, and supported customer requests to ensure successful website launches.

WORDPRESS & SHOPIFY DEVELOPER

Online Growth Group | June 2024 – December 2024 (7 Months)

- Built WordPress and Shopify websites from scratch, implemented SEO strategies, created graphic and video content, and managed social media activities based on client requirements.

GVA/GRAPHICS/SEO/WEB DEVELOPER

Workergenix | June 2023 – May 2024 (1 Year)

- Managed the company website, created graphics, performed SEO and social media management, produced video and podcast content, and handled administrative support tasks.
