

Repairs + Comforts (Extremely) Dry Skin

Cracked Dry Skin Care

Medical Skin Care

Product description

A medical cream that provides immediate nourishment for (extremely) dry skin. Skin regains suppleness and feels comfortable for a prolonged period. The cream provides optimal and long-lasting hydration, softens, reduces flakiness and soothes the skin immediately. Suitable for all skin types and skin conditions with dry to extremely dry skin that requires intensive care.

Indications/fields of application

- Supports the treatment of (extremely) dry skin
- Prevention and relief of dry skin, when used regularly
- Helps prevent or reduce flakiness caused by dry skin
- Supports skin that feels tight and needs extra nourishment
- Supports the treatment of flaky, cracked skin
- Structural support to help prevent (extremely) dry skin

Active ingredients

- Aloe Vera Gel** : Intensive and long-lasting hydration
Shea Butter : Softens and improves dry skin
Bisabolol : Calms the skin
Panthenol : Vitamin B5, hydrates the skin

Properties

ALHYDRAN Cracked Dry Skin Care, especially developed for nourishing, softening and repairing (extremely) dry skin. We used the powerful and scientifically proven formula of ALHYDRAN Medical Care for the Skin as the basis. We combined the unique characteristics of Aloe Vera Gel with other high quality, active ingredients.

ALHYDRAN Cracked Dry Skin Care is enriched with Shea Butter, Bisabolol and Panthenol, amongst others. All ingredients contribute to repairing, nourishing and softening (extremely) dry skin and provide immediate relief.
