Every hand lifted.

Every hand lifted.

Every hand lifted.

His healing is dropping throughout his body and there is healing in this auditorium.

Everyone who has an affliction in your body, put your hand where the affliction is.

I don't want you to think about a symptom.

I don't want you to think about how you feel.

I want you to look into the eyes of Jesus.

He's walking among you right now. Right now, He's walking throughout this place.

Your worship has attracted Him.

Holy Spirit, I know you hear me.

And I know you have the authority over every sickness by any name.

In the name of Christ Jesus, I command every affliction by any name: mental, physical, to go now in Christ's name.

Go now! Go now!

Someone is feeling like electricity on your body. The presence of God is touching people here.

He's not touching you in your mind, He's touching you in your heart when you worshiped Him.

There's people being healed of diabetes.

There's people being healed of migraine headaches.

Someone is being healed of a kidney disease.

Someone's spine has just been straightened.

Someone's knee has just been adjusted.

Someone's ear just popped open.

If I've called out what you feel on your body right now, raise your hand. Raise your hand. Raise your hand.

Look at the people. Look at the people.

Come up here.

Come up here.

God's glory is in this place.

God's glory is in this place.

God's glory is in this place.

I'm telling you, it's like a cloud over here.

The presence of God is thick, it's tangible.

The presence of God is on you.

Enter into His fullness. He paid that price for you to live in divine health.

He paid the price for you to live in divine health.

I see like a mantle over many people here. And that mantle is a spirit that's being fought between your mind and your spirit.

The Holy Ghost is trying to unveil your mentality. So you can receive in your spirit. There's a battle going on in your mind. And the Holy Spirit says, *"I have promised to do what you can believe for. But it belongs in your heart, not in your mind."*

There's a beautiful presence here. Beautiful presence here.

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

Holy Spirit, we love You. We love You, Lord, for what You've done before the foundation of the world. And we worship You for unveiling our eyes to see what You have done.

He's still touching hearts in here right now. There's people with un-forgiveness in your heart. It's hindering the Holy Spirit from healing Your body. When you forgive that person, God will heal your body. My, my, my, my, His presence. Your presence, Lord. Your presence, Lord. Your presence, Lord.

You're so precious, Jesus.

### **{TESIMONY}**

What did you feel in your body?

I have two disks outside the column. And for a while, I sang in my school a praising song that said, Snatch it. And in the moment when I was singing, I felt... I asked the Lord to pass His hands, and after that, I have felt a lot of relief. Yesterday, I was the whole day in the street, and when I came, I felt it again. But now, I'm completely sure that something that was here in my back its gone? and I know that is not going to come back any more.

No. No. No. No.. Glory. How many of you know when you're physically in pain, when you have physical pain, it's the hardest thing to worship God?

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

The devil wants the people that know the Lord to be physically disabled or mentally disabled, because there are no threat to his kingdom.

Because worshippers are a threat. That's why Lucifer was kicked out of heaven, he wanted the worship, he wanted the worship. God deserves the worship of His people.

### **[TESTIMONY}**

What happened to you brother?

I came with a great pain in my back I couldn't bare no more, and I even thought of my job that I wasn't going to be able to make it because the pain was intense. I started worshiping God, and I placed my hand on my back, I only felt heat and I knew that God was healing me.

Emerson:

You felt heat? No pain? Hallelujah. Hallelujah.

God is looking for worshipers. He's looking for worshipers.

Who had an ear pop open?

### **{Testimony}**

I didn't feel anything special but I believe in healing. The word that brother gave. I have prayers for a long time for this healing

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

I have a perforation in my right ear. I can't hear through there. And the left ear also is injured. It's impossible for doctors. They say that I can't won't be hearing anything anymore. But I believe in Jesus, in the power of His healing. That He's going to restore both ears.

Emerson:

You cannot hear out of this ear?

Go ahead. I think your ear is open. I think your ear is open. Lord, seal it.

### **{Testimony}**

What did you feel on you brother?

I felt that

I had problems in my fingers. I thought that they were loosed , I didn't touch my fingers when Emerson asked for us to touch that part of your body. But I felt that I had something came out in my bones, and my hand became in perfect conditions.

Two weeks ago I started with a buzz in my hear , my right ear also like the sister in her testimony love what she said. My doctor gave me nasal drops so that they could reach the tip of the ear, but they didn't work. I went back to the doctor and expressed to him that I was feeling the same. He prescribed other stronger drops and the buzz continued permanently there.

Suddenly without putting my hand on my ear I was worshiping knowing that I was with a real God in which I believed and suddenly I felt that He blowed.

Lay down. He needs to lay down. God, God hasn't finished with you, brother. He hasn't finished with you. He's going to talk to you right now about something else.

**{Testimony}**

What happened to you, sister?

During the time of prayer, I felt this fire go through me.

You mean during worship?

Exactly, in the midst of the worship, when I was just... ooooooo!..

I literally felt Jesus Christ walk right by my side and lay His hand on my forehead.

I'm telling you, God is here. He's literally here in this place. Not just for my miracle, but also my husband's, for my mother-in-law's miracle and for other relatives' miracle. I came for my miracle today, for my mother-in-law's diabetes problem and her problem in her kidney, and I know that God's going to bring it to pass and that they are healed in The Name of Jesus. I came to take those miracles.

Thank you, Lord. Raise your hands right now. We anoint your hands right now. Wherever you put your hands in this instant, wherever you

put your hands, wherever you put your hands in this instant, wherever you put your hands in this instant. God is going to honor your faith.

Just lift your hands. Just lift your hands.

The supernatural is the Christians' reality.

If the devil can make you believe that your senses are your reality, you'll never understand the spirit realm. You'll never understand the scripture.

This Bible is a Spiritual book.

You cannot understand it in your mind. Jesus said, *Anything that you can believe is possible.*

Father, we bless every person that has been touched by You tonight. And for the ones that will be touched after they leave.

Because You're a God that doesn't live inside of time. Time lives in You.

Now, just wave your hands. We worship You, Lord. We worship You, Lord. There's no one like You, Lord. There's no one like You, Lord.

We thank You for the price You paid for our divine healing. What You've already done, we enter into it right now. We know that there's nothing that You haven't finished.

**The Spirit Gives Life**  
*English Transcript - Emerson Ferrell*

We just need to believe that **it's finished**. And that includes your healing. That includes your mental condition.

It includes everything that your physical body needs. Now just give Him the worship in the place. We glorify you, Jesus. We glorify you, Jesus. Hallelujah. We glorify you, Lord. We glorify your Lord. Thank you. Thank you. Thank you so much. Thank you so much.

Worshippers don't stop worshipping. They continue to worship, even without instruments, you can continue to worship in your heart.

There was a blind man that was healed by Jesus.

And when he opened his eyes, he didn't know who it was that had healed him.

But immediately, when he opened his eyes, the Bible says, *he went and worshiped*.

We have a greater covenant. We have a greater covenant.

Thank you, worship team. I want to spend a few minutes just allowing the Holy Spirit to impart something that will provoke you to go and dig deeper.

In John, the sixth chapter, Jesus said something that is very important for us to understand.

**The Spirit Gives Life**  
*English Transcript - Emerson Ferrell*

**John 6:63**

**He said, *It is the Spirit who gives life, the flesh profits nothing. The words that I speak to you are Spirit, and they are life.***

He says the flesh profits nothing! And the words that Jesus speaks are spiritual words. Do we know what that means?

Because for so long, the Church has operated in such a less power than Christ has.

You see, the spiritual realm is different than the physical realm. How many of you know that?

But if you understand that the spirit realm has the authority over the physical realm, and you understand that the physical realm profits nothing, according to Jesus, then you will spend more time searching out what that means. That's why **Jesus said, *Seek first the Kingdom of God.*** The Kingdom of God is not a church building. The Kingdom of God is not anything physical. It is the spiritual living Christ.

Turn to John 17.

This is before Jesus went to the cross. Verse 14, we'll start with.

**John 17:14**

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

**I have given them your word, (talking about the disciples), and the world has hated them because they are not of the world, just as I am not of the world.**

So Jesus is saying, *you can be in the world, but not of the world.*

We're in the world, but we're not to be of the world. That doesn't mean you don't do what the world does. That means the world looks to you for what to do. You understand?

If all you are is against what the world is, you're not going to make any change. Your life must be different because you have an experience with the spiritual world. Without a spiritual experience, you're just living on someone else's revelation. And that's not going to get you any understanding or angelic presence.

What you think about all the time, manifests itself in the activities of your life. You have to understand that your thoughts come from somewhere.

So let's read this further.

### **John 17:15**

***I do not pray that You should take them out of the world, but that You should keep them from the evil one. They are not of the world just as I am not of the world. Sanctify them by Your truth, Your word is truth.***

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

So sanctification means you don't do what the world does. It means you know the truth. And the truth is a person, not a motto or a mission statement. It's not a cliché. It's not a Bible scripture.

Put your finger there and turn to John, the first chapter.

### **John 1:1-4**

***In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through Him, and without Him, nothing was made that was made. In Him was life, and the life was the light of men.***

It doesn't say, *In the beginning was the scripture*. It says in the beginning was the Word, not scripture or syllables, but a Spiritual being that became flesh.

### **Back to John 17:22**

***And the glory which You gave Me, I have given them that they may be one just as We are One.***

***I in them, You in Me, that they may be made perfect in one, and that the world may know that You have sent Me and have loved them as You have loved Me. Father, I desire that also whom You gave Me may be with Me where I am, that they may behold My glory which You have given Me, for You loved Me before the foundation of the world.***

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

Jesus is talking about a relationship that He had with the Father before He was manifest in the flesh.

Listen closely. Jesus came to make that manifestation available to all. He made a way for us to be one with Him the way He's one with the Father.

Remember, Moses said, *No one has seen God face to face*. But Jesus is explaining that this interaction, that this position that we have available to us, gives us the opportunity to behold His glory.

Before the foundation of the world, everything God is, was, and will be was inside of Him. And He is making it available to us through entering His kingdom, to see Him face to face, face to face.

**When you can enter into the presence and glory of God, you live in timelessness.**

There's no concern about your physical body.

Look in **John 11:4**

*When He heard that Lazarus was sick, He said, **This sickness is not unto death, but for the glory of God, that the Son of God may be glorified through it.***

**John 11:11**

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

*These things He said, and after that, He said to them, **Our friend, Lazarus, sleeps, but I go that I may wake him.***

### **John 11:14**

(he says) **Lazarus is dead.**

Then He goes to the place where Lazarus is.

### **John 11:23**

*Jesus said to her, **“Your brother will rise again.”** Martha said to Him, **“I know that he will rise again in the resurrection of the last day.”***

How many of you know that this mentality is still in the Church today?

There is a belief that's pervasive throughout the Church, that there are certain things that Jesus has to come back and do. That what He's already done wasn't good enough for us to see Him face to face.

Jesus is explaining to Martha.

### **John 11:25**

*Jesus said to her, **I am the resurrection, and I am the life. He who believes in Me, though he may die, he shall live.***

Now, is Jesus just making up stuff here?

**The Spirit Gives Life**  
*English Transcript - Emerson Ferrell*

He says in verse 26,

**John 11:26**

***And whosoever lives and believes in Me shall never die. Do you believe this?***

Are you living and believing right now? Are you alive right now? Are you alive right now? Are you alive right now?

Well, Jesus says, ***If you live and believe, you shall never die.***

**What is the “you” Jesus is speaking of?**

We know the physical body is going to fall away. But that's not who you are. I said *that's not who you are*. If that's who you think you are, you're not going to live above the circumstances of this world.

So who are you? Are you the one that's looking back in the mirror?

So, if you don't discover your spirit, it can never be surrendered to the Christ your Lord, because your spirit is what is asleep.

And Jesus said, ***I'm going to wake Lazarus out of his sleep.***

Because he doesn't know that his spirit doesn't get sick. Maybe you don't know that your spirit doesn't get sick.

**The Spirit Gives Life**  
*English Transcript - Emerson Ferrell*

**John 6:63**

***The words that I speak are spirit and life. The flesh profits nothing.***

**So if you want to make a difference in society, your spirit should be alive. Because there's a lot of people walking around sound asleep.**

Hit your neighbor and tell him “wake up!”

You see, Martha was telling Jesus what the Church still believes today. And how many of you know Jesus loved Martha? He loved Martha. But she had it all wrong. So let's read further.

**John 11:27**

*She said, “Yes, Lord, I believe that You are the Christ, the Son of God, who is to come into the world.” And when she had said these things, she went her way and secretly called Mary, her sister, “The Teacher has come and is calling for you.”*

Verse 32.

Her sister gets in on the act of unbelief.

**John 11:32**

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

*Mary came where Jesus was, and saw Him, she fell down at His feet saying to Him, "Lord, if You had been here, my brother would not have died."*

**So Jesus says (John 11:34), *Take Me to where he's buried.***

**John 11:40**

***Jesus said to her, "Did I not say to you that if you would believe, you would see the glory of God?"***

If you can believe, the physical world cannot hold you.

That image you see in the mirror cannot affect you. You will see His glory. You will see His glory! You will see His glory!

The glory He had with His Father before the foundation of the world.

It's very interesting that when God showed Moses the Ark of the Covenant in the heavens, He showed Moses how to build it from the inside out.

And that's your spirit being awakened in that Holy of Holies.

**But in Genesis, God begins from the outside in.**

You don't get it.

## The Spirit Gives Life

*English Transcript - Emerson Ferrell*

The reality of God's Kingdom is determined by how God sets things in order. When He created mankind in the Garden, He designed them to live forever. And He designed the Earth to supply all the needs that man would need. And we see the picture of what God had intended when you study Enoch.

He walked with God, and Enoch decided that the spirit realm, the glory realm, was more exciting than the physical world. That's still available today. **(See Hebrews 11:5)** That is the glory of God.

And as we start to understand how God separates the waters from the waters, we see the design of God and the majestic wisdom that He has. And we start to understand that the Word that was spoken by God, came from inside of Him before the foundation of the world. And that word was Christ. Before man was created, Christ was putting everything in order as the One who is, was, and will be!

You think God was surprised that man would betray Him? Of course not. He had a plan in place before the foundation of the world. and as man began to populate the earth, we see God's divine wisdom worked out in each person.

Each one of us has a divine appointment with the presence of the Holy Spirit.

When you were created, God put inside of you a tuning fork. Do you know what a tuning fork is?

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

He knows the sound that He put inside of you, and He knows what's necessary for you to reverberate at His sound.

And if you continue to seek after Him, at whatever level you're at, the Holy Spirit will touch that sound in you.

And whether it's your generation or the generation you're carrying in your loins, something will happen that would be better than if you weren't seeking after the Lord.

Your goal is to believe. And that's where the problem lies.

What you believe needs to be of a spiritual nature.

And the only way you can receive the spiritual understanding is to seek His Kingdom.

When you seek His Kingdom, God is a rewarder of those who diligently seek Him. *(See Hebrews 11:6)*

So I want to encourage each and every one of you tonight, that at whatever level you are in your understanding of Christ, your King, do not be satisfied with that knowledge. Stretch yourself beyond. Stretch yourself beyond what you can believe. And let the Holy Spirit surprise you. You can't continue to do the same thing and expect a different result. You have to do something different if you want a different result. So lift your hands.

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

Father, I thank You that You have brought Your precious people here to hear and feel Your presence. I ask you, Lord, that You will give dreams and visions to those who have really pushed in to know You.

And show that You are a rewarder of those who diligently see You. I thank You, Lord, that this time next year, that Your people will be in a different place with You.

Now just lift your hands and wait upon the Lord. Thank You, Lord. We worship We glorify You, Lord. We just want to give You the worship, Lord. We want to bless Your Holy name. We want to bless Your Holy name.

Now, many of you are receiving instructions to do something outside of your normal thing. I want you to be sensitive to the Spirit. Be sensitive to the Spirit.

Father, I thank You for these precious people.

I know that many people have received their healing tonight.

But there's others that are still on medications and suffering disease. The Lord came to me and said, "*I want you to study about the plant kingdom*".

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

And that study took me deep into the understanding of why oils, essential oils are so important for healing. And the essential oils have a specific vibration or sound in heaven.

Say, "I am a spirit being". But if your physical body is ill and sick, it's difficult to enter in the presence of God. And medications are the first step into really changing your frequency.

Say, "I'm a spirit being. I'm a spirit being."

When you start to change the frequency by using something such as powerful as the essential oils, your physical body will start to vibrate at a level that it was created for.

Listen, Jesus is your Healer. I said, Jesus is your Healer. But Jesus used essential oils.

At His birth, the wise men brought frankincense and myrrh and gold. If it wasn't important, it wouldn't have been mentioned.

And there's many places in the scriptures where Jesus was anointed. And we just mentally think, "Oh, that's olive oil." It's not olive oil. It carries the miracle molecules of the plants God created to supply the health and healing for men.

I can't tell you everything that I've written in this little book, "*The Breath of God Over Essential Oils*".

## **The Spirit Gives Life**

*English Transcript - Emerson Ferrell*

But it's backed up by research and scripture. And I challenge you to study this.
