

Top 100 German Words. pdf-language-lessons.com

Language learners often come across language resources and wonder... "Okay, how do I use this?" You're probably thinking the same thing about this "top 100 words list."

- "How do i even use this?"
- "This is just a boring list."
- "It won't make me fluent."
- "Ugh, this isn't even enough,"

And let me just put a few things in your head --- that will help you learn the German language guaranteed. Shut up. Stop thinking. Stop worrying. Stop over thinking.

Language requires 1) time and 2) repeated effort.

Don't overthink this list. All you need to do is set aside 5-10 minutes a day and just read through. That's it. Don't memorize. Don't overthink. Read through and read out loud, if you can. Repeat the words 2-3 times. Do the same thing tomorrow. Do it again in 2 days. Do it again in 4 days. If you want, print this PDF and write out the words. Do it again 2 days. Do it again in 4 days.

Language requires 1) time and 2) repeated effort. Not overthinking or worrying. You don't need to think here. Just take action and your brain will do the rest.
