PROFESSIONAL

GLASS CLEANER

D120

- ◀ Formulated specifically for professional automotive use
- ◀ Consistent streak-free results
- ◀ Non-amonia & window tint safe

**FOR PROFESSIONAL USE ONLY.
NOT INTENDED FOR RETAIL SALE.**

BODY SHOP SAFE

MEGUIAR'S® GLASS CLEANER CONCENTRATE easily and consistently removes tough vinyl fog residue, road grime, smoker's film and bug splatter, producing crystal clear, streak-free glass. For every concentrated gallon, you get eleven ready-to-use gallons of glass cleaner.

DILUTION: 10:1

DIRECTIONS: For best results surface should be cool to the touch, and applied out of direct sunlight. Spray diluted product directly on surface to be cleaned. Using a Meguiar's® Supreme Shine™ Microfiber Towel (X2020) folded into quarters, wipe clean. Turn towel frequently to ensure a clean side is being used.

PROFESSIONAL TIPS: When making your final wipe on the exterior glass, move the towel in a left to right motion; on the interior glass move the towel in a top to bottom motion. This will easily identify the side of the glass where any streaks may have occurred.

PRECAUTIONS: May irritate the nose and throat and cause dizziness, headache or nausea. Vapor may cause flash fire. Keep away from heat, sparks, flame and sources of static discharge. Avoid eye and skin contact. Avoid breathing of vapors, mists or spray. Avoid breathing dust, vapors, mist or spray. Use only with adequate ventilation. Do not swallow. Wash thoroughly after handling. Close container after each use.
