

Exploring Creation with Zoology 3 2nd Edition – Errata File

This file contains the corrections for the **Notebooking Journal**. The printing for the Notebooking Journal may not be the same as for the Textbook. Corrections for the Textbook are in a separate file. (Posted March 2026)

Corrections:

Page 237 - Change the word REPTILIA to SQUAMATES and change the word SQUAMATES to REPTILIA. The pictures will complete the minibook puzzle if those two words on those puzzle pieces are swapped. (1st – 3rd printings).
