

Adapter

for **WR 540 PRO Cordless Knot Filler Gun**

PRO Line

Additional accessory for
**Wood Repair
PRO Cordless Kit**

Connect with your own battery

Match with 4 different brands:
bos, dew, mak & mil

Flexible Battery Compatibility

Use the adapter with compatible 18V battery platforms for a more flexible cordless setup. Designed for professionals who want to work with the battery system they already use on-site.

One Tool - Multiple Battery Options

The adapter allows the WR 540 PRO to operate with selected battery brands, giving a greater freedom and convenience in everyday repair work.

Lightweight & Easy to Use

Designed for quick attachment and smooth operation, the adapter makes it easy to switch between compatible battery systems and keep work moving efficiently.
