CAKES & DESSERTS

Flavour Book

+91 9825312997

@sweeti_fy

This collection is a peek into the sweeter side of our bakery — a showcase of the cakes, cupcakes, and cheesecakes that make our menu special.

While this book highlights only a part of what we bake, our oven is always busy with other treats like cookies and brownies waiting to be enjoyed. Think of this as your guide to our signature creations — made to be shared, celebrated, and savoured.

Thank you for taking the time to
explore our little world of
flavours. Every recipe, every sketch,
and every bite is made with love and
care — and it means so much to share
them with you.

From our oven to your heart, thank
you for being part of our story.

Love,
Sweetify
