- Hour 2 – Objective and Measurable Effects of Chiropractic Care.
- Hour 3 – Case Review/Grand Rounds.
- Intervertebral Disc Decompression (3 Hours):
  - Hour 4 – Current Research.
  - Hour 5 – Traction Protocols.
  - Hour 6 – Case Review/Grand Rounds.
- The Cervical Artery Dissection (3 Hours):
  - Hour 7 – CAD Epidemiology.
  - Hour 8 – Identifying the developing CAD.
  - Hour 9 – CAD Case Review/Grand Rounds.
- Informed Consent (1 Hour):
  - Hour 10 – The Chiropractic Informed Consent Process

## Learning Objectives:

- Attendees will understand the evidence-based review of our lecture topics.
- Attendees will better understand current concepts related to the subject titles.
- Attendees will enhance their ability to improve patient outcomes.
  
- **Prerequisites:** None
  
- **Actual Lessons:** Live Interactive “Zoom” Webinar – for “In-Person” NC requirements.
  
- **Technology needed to take the class:**
  - Courses must be viewed on appropriate computers, tablets, and smartphones with functioning video/audio capabilities.
  - Class notes and certificates of completion are available to print.
  
- **Means to Monitor and assure Attendance:**
  - Attendees must maintain visual continuity throughout the lecture. Our administrative staff will monitor their presence.
  - Intermittent survey/quiz questions will be offered throughout the lecture. Attendees must answer those questions for credit.
  - At the end of the lecture, Zoom provides a report that verifies that attendees have answered all questions to assure attendance compliance.
