ABOUT

How to make:

- Copy and laminate (or just copy onto cardstock).

How to play:

- The person with the first card (it says on the card) says the number they are looking for. The person with the matching Place Value blocks says the number they have, and then 'who has...?'.
- The game continues until all the cards are used (if you have more cards than students, double some up).

"I have the first
card. Who has
137?"

"I have 137. Who
has 250?"

"I have 250, who
has 461?"

"I have 461, who
has 668?"
