

**Smell the flowers**

Louise Anne Sullivan

Widgit Symbols © Widgit Software 2008

Dedicated to Shane, Sam, Rhett, Olivia and Eloise.

  
 Olivia flares her nostrils wide,

  
 and sucks the flowery smell inside!

  
 "I love to smell the flowers,

  
 but there's a bee buzzing around my flower."

  
 says Olivia.

"I love to smell the flowers,

but there's a caterpillar nibbling on my flower."

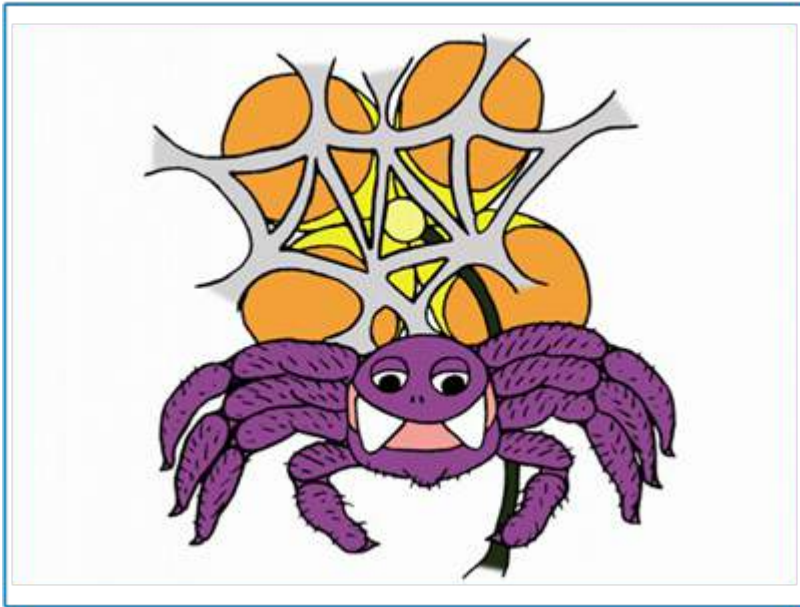

says Olivia.

"I love to smell the flowers,

but there's a butterfly fluttering onto my flower."

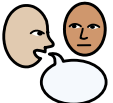

says Olivia.

  
 "I love to smell the flowers,

  
 but there's a spider spinning a web

  
 on my flower." says Olivia.

  
 "I love to smell the flowers,

  
 but there's a fly landing on my flower."

  
 says Olivia.

"I love to smell the flowers,

but there's a ladybird peeping out of my flower."

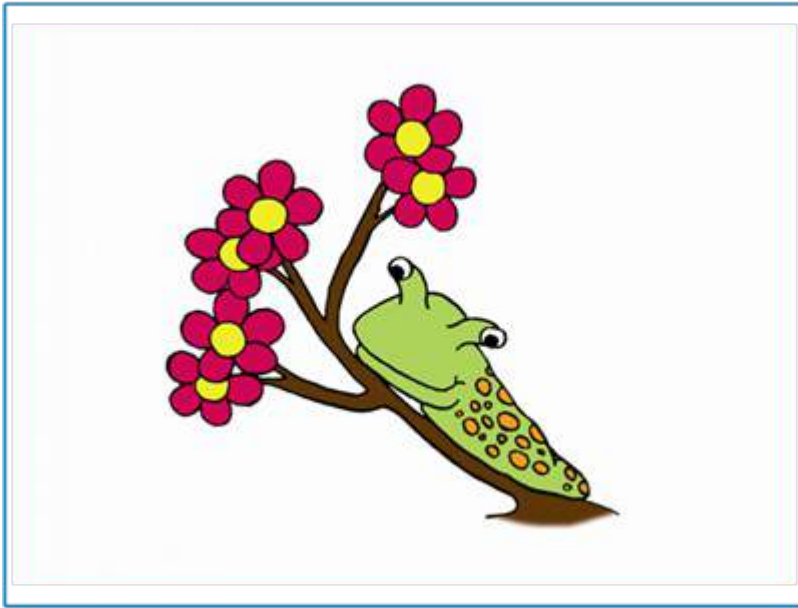

says Olivia.

"I love to smell the flowers,

but there's a beetle climbing into my flower."

says Olivia.

"I love to smell the flowers,

but there's a slug slimming up my flower."

says Olivia.

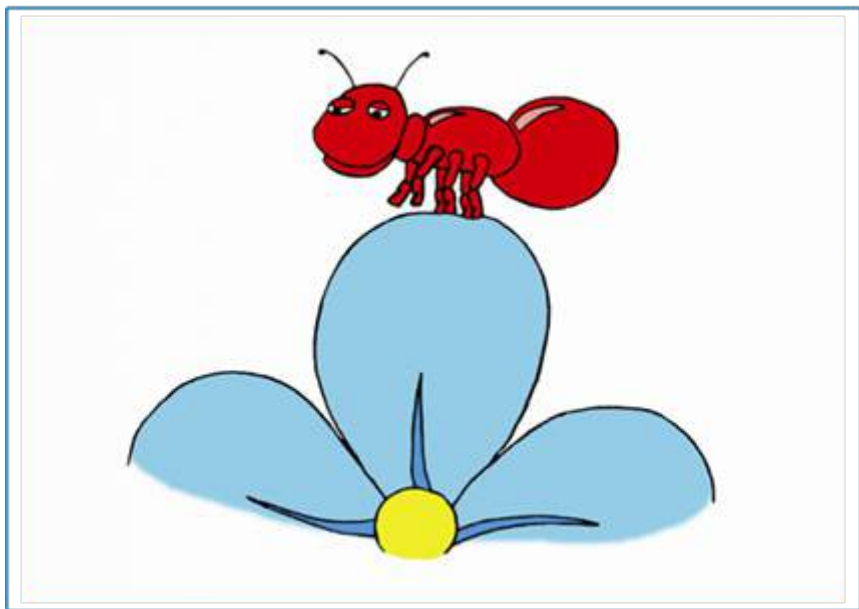

"I love to smell the flowers,

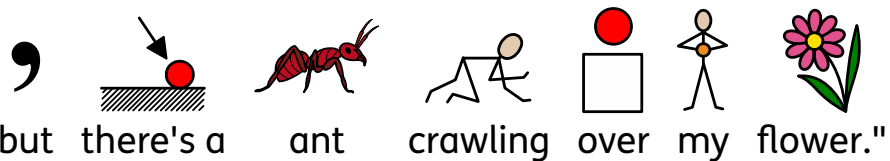

but there's a snail sliding down my flower."

says Olivia.

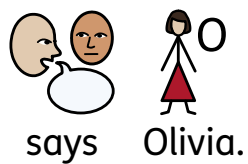

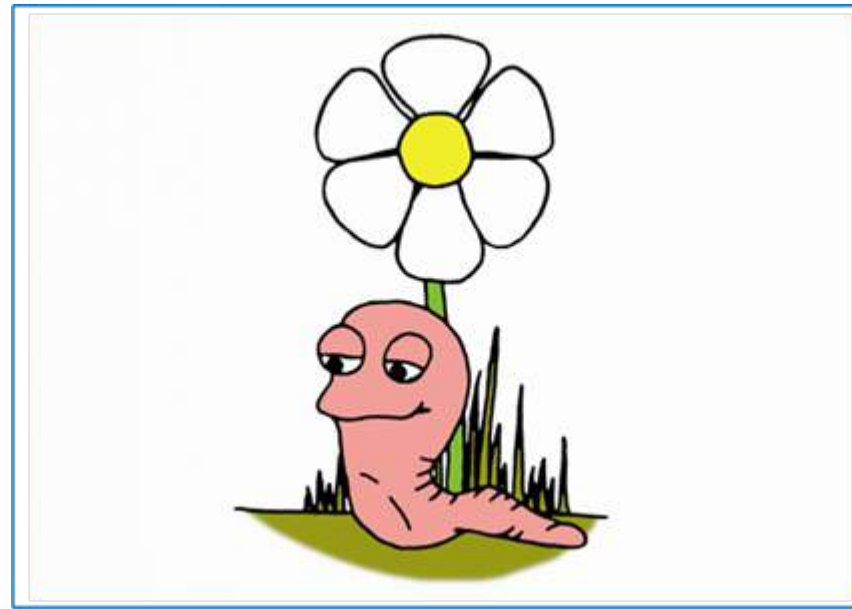

"I love to smell the flowers,

but there's a ant crawling over my flower."

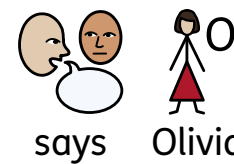

says Olivia.

"I love to smell the flowers,

but there's a worm wriggling under my flower."

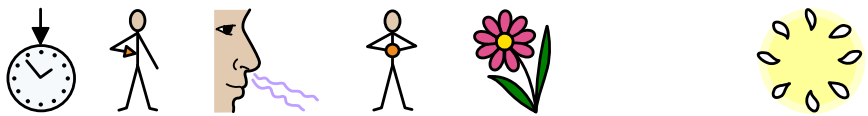

says Olivia.

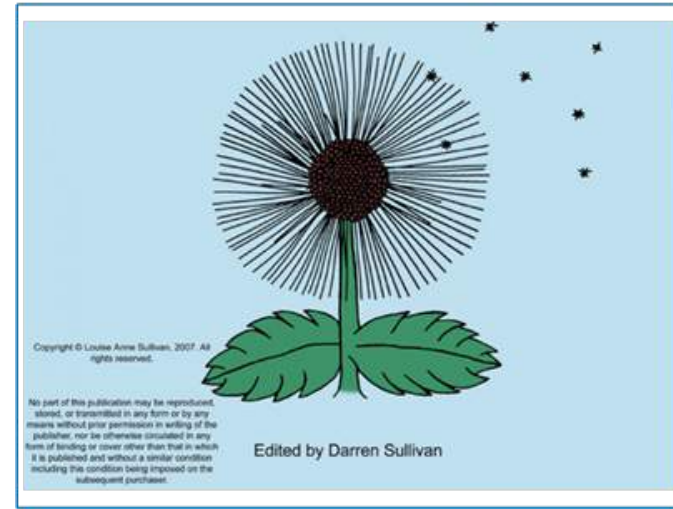

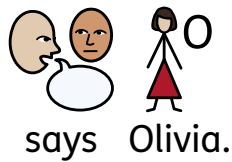

Olivia finds her favourite flower, the rose,

"I love to smell the flowers.

Now I'm smelling my flower... aaah... lovely!",
