

# LESSON FOUR ACTIVITY

## ART PRACTICAL

### DRAW OR PAINT SOMETHING INSPIRED BY 'KEEP OUR OCEANS CLEAN'

For this activity, students are encouraged to draw or paint something inspired by the theme 'Keep Our Oceans Clean'. The focus is on sparking creativity while exploring the importance of ocean conservation. Any medium can be used, from traditional paints and pencils to digital tools, giving students the freedom to express their ideas visually.

OR

### USE PLASTICS TO CREATE A COLLAGE

This activity invites students to transform plastic waste into art. Students are encouraged to create collages or other artistic pieces using discarded plastic, conveying the message of ocean conservation and highlighting the importance of reducing plastic waste.
