Results-driven Web Developer with 10+ years of experience specializing in WordPress development, responsive web design, WooCommerce, custom themes, front-end development, and website performance optimization. Proven track record of developing and maintaining high-performing websites, supporting multiple eCommerce platforms, implementing new features, troubleshooting complex issues, improving site performance, and managing hosting and website infrastructure. Brings strong expertise in WordPress, HTML5, CSS3, JavaScript, PHP, Elementor, WooCommerce, SEO, Cloudflare, Cloudways, Figma, and performance optimization, helping organizations build secure, scalable, visually engaging websites that support business growth and deliver reliable user experiences.

WORK EXPERIENCE

WEBSITE DEVELOPER

BSA Solutions, Inc. | December 2025 – June 2026 (7 Months)

- Worked as a Website Developer providing technical support and troubleshooting. The attached recommendation further documents his work maintaining three WooCommerce e-commerce websites, including programming, bug fixing, feature implementation, troubleshooting, performance improvements, and ongoing platform development.

OWNER

Smarties Apparel | October 2015 – Present (10 Years, 11 Months)

- Oversees day-to-day business operations including production, sales, marketing, and finance, manages and maintains the company's WordPress websites and online platforms, and creates or oversees marketing banners, logos, apparel visuals, and promotional materials.

WEBSITE DEVELOPER & GRAPHIC DESIGNER

Spuul | October 2011 – March 2016 (4 Years, 6 Months)

- Designed, developed, and maintained responsive websites using WordPress, PHP, Ruby on Rails, HTML, CSS, JavaScript, and jQuery while managing website hosting, updates, and performance optimization.

TECHNICAL SUPPORT

Convergys | September 2007 – March 2011 (3 Years, 7 Months)

- Handled inbound calls from North American customers and provided technical assistance and troubleshooting for MSN dial-up and broadband connection issues.
