Paper Dispenser

USER MANUAL INSTRUCTION

Maintenance and Care

Refilling Paper : Regularly check the paper supply and refill when necessary. Open the dispenser's front cover, load the paper product, and close it securely.

Cleaning the Dispenser : Always Wipe or polish with the grain direction of satin finishes. Remove any cleaning or soap residue from stainless surface with water and wipe dry with clean cloth.

Caution: Avoid cleaning products containing bleach, hydrochloric acids and or chlorides these are frequently found in toilet bowl or tile cleaners and in abrasive scrubbing powders. Avoid use of steel wool which can leave behind fine particles that cause surface rust. Avoid use of abrasive cleaners on bright polish stainless steel surfaces

Safety Warnings

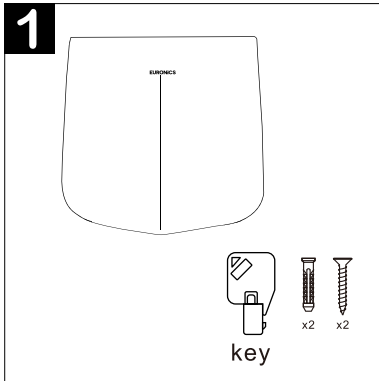

- Do not install the dispenser in areas exposed to excessive moisture or extreme temperatures, as this may damage the stainless steel finish.
- Keep out of reach of children to prevent misuse of the dispenser.
- Do not overload the dispenser with too many paper towels or rolls, as this may cause jamming or breakage.
- Use only compatible paper types to avoid damage to the dispensing mechanism.

Key Features
