I HAVE, WHO HAS?

numerals & words

ABOUT

How to make:

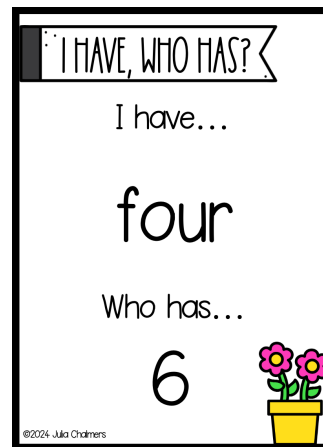

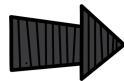

- Copy and laminate (or just copy onto cardstock).

How to play:

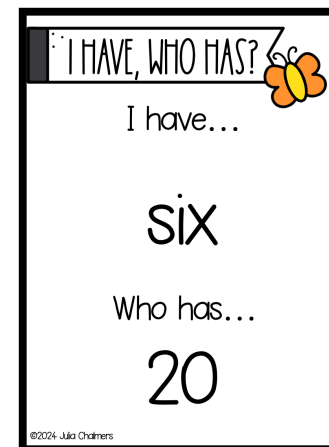

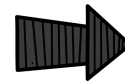

- The person with the first card (it says on the card) reads the numeral. The person with the matching number in written format says it and then shares their numeral, asking 'Who has...?'.
- The game continues until all the cards are used (if you have more cards than students, double some up).

"I have the first card.
Who has 4?"

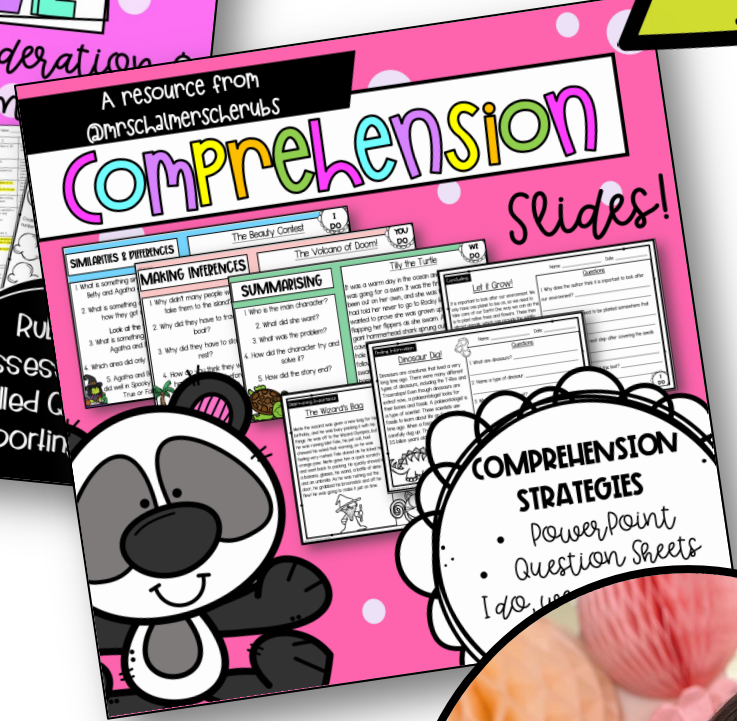

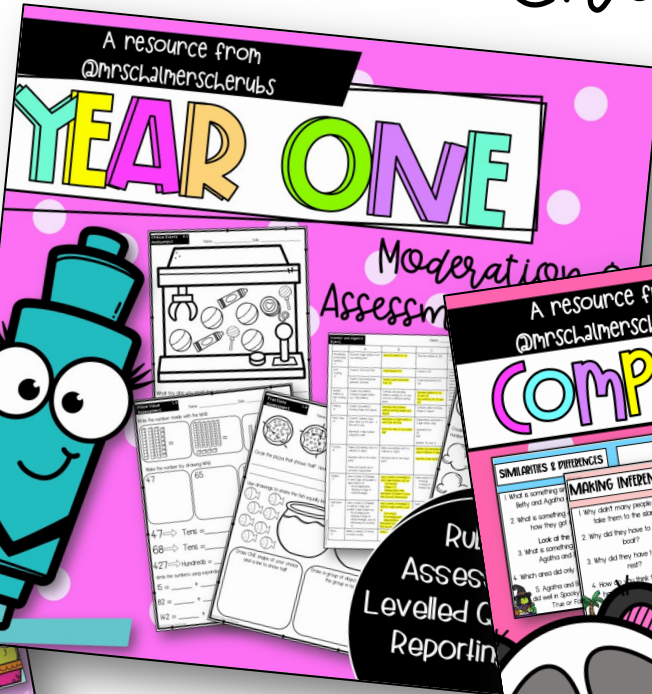

"I have four.
Who has 6?"

"I have six. Who
has 20?"
