

Artus Booth

Artus Meeting Booths create places for shared focus. Inspired by the playful language of post-modernism, they bring a creative spirit to settings where people meet, think and develop ideas together; places where the wider environment gives way to quieter pockets of thought and purpose.

Available in two, four and six-person configurations, with open and enclosed forms to offer variations in privacy and acoustic shelter. Soft forms and an informal design language soften the conventions of the meeting booth, creating a more approachable setting for collaboration, shared focus and sustained work. Banquette seating reinforces this character with a well-balanced expression of work poise. Integrated AV, together with a discreet zipped access panel, allows technology to be upgraded and adapted to changing requirements over time. **Artus Booths** can also integrate seamlessly within a wider **Artus** landscape.

POWER

Contour, Capsule & Phase power can be fitted to booth table tops.

	Two Person Open Side	Four Person Open Side	Six Person Open Side
Product Code	ARB-2-OS	ARB-4-OS	ARB-6-OS
Dimensions	W2120 x D835 x H1425mm Seat Height: 460mm Table Height: 750mm	W2120 x D1235 x H1425mm Seat Height: 460mm Table Height: 750mm	W2120 x D1635 x H1425mm Seat Height: 460mm Table Height: 750mm
	Two Person Closed Side	Four Person Closed Side	Six Person Closed Side
Product Code	ARB-2-CS	ARB-4-CS	ARB-6-CS
Dimensions	W2120 x D870 x H1425mm Seat Height: 460mm Table Height: 750mm	W2120 x D1270 x H1425mm Seat Height: 460mm Table Height: 750mm	W2120 x D1670 x H1425mm Seat Height: 460mm Table Height: 750mm

Warranty Information

5 YEAR – NORMAL FAIR WEAR & TEAR

This includes the structure and any foam/padding materials.
Fabrics are covered by fabric manufacturers' warranties, usually 5 years, dependant on fabric choice.

Please refer to full **sixteen3** Warranty information document for more details.
sixteen3 ltd reserve the right to update product data information without prior notice.

Standards

FLAMMABILITY

The foams & fillings of this product meet BS EN 5852: Part 2, in accordance with The Furniture and Furnishings (Fire) (Safety) Regulations 1988.

CONSTRUCTION

Designed to meet & exceed BS EN 16139: 2013 – Strength, Durability and Safety Requirements for non-domestic seating.

Cleaning & Maintenance

GENERAL MAINTENANCE

- Vacuum upholstery regularly to remove dust and grit
- Most hard surfaces can be cleaned with a soft cloth, dampened with a small amount of water and buffed dry
- Clean spills and stains quickly to prevent them setting in (see specific fabric care instructions below)
- If being used in a spill/stain prone area specify an appropriate finish with stain-repellent properties

Refer to fabric manufacturers own guidelines for specific information.

NATURAL FABRICS

In addition to regular vacuuming, wool and other natural fibres can usually be cleaned using appropriate upholstery shampoo. For a deeper clean it is best that wool be dry cleaned, as over-wetting can cause shrinkage and appearance change. Never apply bleach, ammonia, alkali or strong acids to wool upholstery.

SYNTHETIC FABRICS

Vacuuming is the best regular maintenance followed by speed of action to remove spills and stains rapidly as soon as they occur. Most synthetic fabrics can be wiped down with a water soaked damp cloth without fear of damaging fibre or removing colour. Stubborn stains can be removed with a quality upholstery shampoo.

LEATHER

Leather should be regularly dusted with a soft cloth and vacuumed with a soft brush extension.
Most types of aniline can also be treated with specialist products to help preserve colour/finish etc.
As leather is a natural material, discrepancies in surface texture and 'puddling' in seat areas is to be expected.

POWDER COATED

Clean surfaces regularly with a slightly damp cloth and a mild solution of soapy water. Buff dry with a soft duster.

LAMINATE SURFACES

Clean surfaces regularly with a slightly damp cloth and buff dry with a soft duster. The finish on all wood and laminate surfaces is designed to withstand moderate heat and some spillages, but all spillages should be wiped off with a damp cloth straight away. Certain wood finishes will naturally change in appearance with age. We cannot guarantee an exact match of any timber products.
