

Exploring Creation with Earth Science – Errata File

This file contains the corrections for the Regular and Junior **Notebooking Journals**. The printing for the Notebooking Journal may not be the same as for the Textbook. Corrections for the Textbook are in a separate file. (Posted 2025)

1st printing March 2021: Regular and Junior

Page 48 – The seasons were printed in the wrong order. See corrected page below.

Page 233 – **Activity 10.6 was replaced** with a new activity due to new laws prohibiting the intentional release of balloons. See revised page below.

Page 251 – Instructions are on page **245** (not 249).

2nd printing January 2023 and 3rd printing September 2023: Regular

Page 233 – **Activity 10.6 was replaced** with a new activity due to new laws prohibiting the intentional release of balloons. See revised page below.

Page 251 – Instructions are on page **245** (not 249).

4th printing – February 2024:

Page 233 – **Activity 10.6 was replaced** with a new activity due to new laws prohibiting the intentional release of balloons. See revised page below.

2nd printing February 2025 – Junior and 5th printing February 2025 – Regular:

Activity 10.6

TRACKING WEATHER BALLOONS AROUND THE WORLD

what I did

what I learned

The location of the weather balloon closest to me:

The weather balloon was going in this direction:
