Chair

Flessibilità e resistenza prima di tutto. Lo schienale ergonomico è ideale per sostenere la schiena e adattarsi alla forma e al peso del corpo.

Flexibility and durability first and foremost. The ergonomic backrest is ideal for supporting the back and adapting to the shape and weight of the body.

Flexibilität und Widerstandsfähigkeit stehen an erster Stelle. Die ergonomische Rückenlehne ist ideal, um den Rücken zu stützen und sich an die Form und das Gewicht des Körpers anzupassen.

Flexibilité et résistance avant tout. Le dossier ergonomique est parfait pour soutenir le dos et pour s'adapter à la forme et au poids du corps.
