Thank you to these designers!

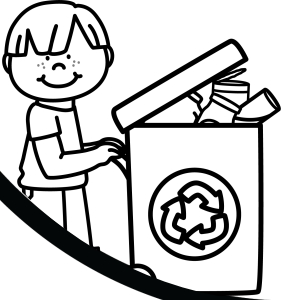

HOW-TO TIPS

- Select the pages you wish to use and copy (you can enlarge to A3 if desired). The mobiles can be made with 2 pages back to back or 3-4 pages glued to each other.
- Cut out the circles and glue back to back. If using more than 2 circles, only glue half of each circle together (see picture).
- If desired, hole punch the top and add string to hang.
