*He made darkness His secret place;  
His canopy around Him was dark waters  
And thick clouds of the skies.*

## Psalm 18:11

I'm so happy to be able to share some things with you today to help us in our journey inside of Christ.

And it's always good to recognize where we are in this transition, because we are transitioning from the past associations and doctrines and theologies that we've all grown up in.

So, we need to refresh ourselves in our understanding of the reality of what the resurrected Christ has done for us.

So, today I want to spend time reacquainting you with your true spiritual self and what that really means.

Let's begin today by understanding who we are as a spirit, and to do that, all we have to do is begin in Genesis.

## Genesis 1:1-2

*In the beginning God created the heavens and the earth. The earth was without form, and void; and darkness was on the face of the deep.*

Now, this describes the spiritual dimension. This darkness is where the Spirit is, and it's very difficult for us to understand that.

Darkness in this dimension (where the Spirit is) is not the absence of light, but it encompasses everything.

Therefore, light is inside of this darkness.

So, when God said, "Let there be Light," He was pulling light from this spiritual dimension so that He, as a Spirit, could see it. And this is what we call the First Day Light.

This is where you and I originated.

Now, keep this in mind, this is why John says in **John 1:1**

*In the beginning was the Word, and the Word was with God, and the Word was God.*

## **John 1:3**

*All things were made through Him.*

(Through Whom? Through God, through the Spirit.)

## **John 1:3**

*...and without Him, nothing was made that was made.*

Everything that is visible and invisible came through Him, in this darkness that God separated light from, when He pulled light from this darkness (He separated it and said this is the first day and He saw this light as good). Remember?

So, in this first chapter of John, he said: "**In Him was life**" (*talking about Jesus, The Word*).

## **John 1:4-5**

*In Him was life and the life was the light of men. And the light shines in the darkness, and the darkness did not comprehend it.*

So, in this description in John, the light that is in Christ, in Him where life is, that came into this dimension separated the darkness in this dimension from this light.

Now, you have to follow this.

The darkness in Genesis is the spiritual dimension that has everything in it.

There is no way to describe that dimension other than *formless and void and darkness*.

In this dimension, the third dimension where we physically reside, there is darkness from the fourth day and a darkness that's spiritual.

The darkness that's spiritual is the **unbelief** that are in men that don't believe Christ.

That's part of this dimension that we live in. But it doesn't affect you who are in Him because it says:

## John 1:5

*And the light shines in the darkness, and the darkness did not comprehend it.*

That means the darkness in this dimension cannot overcome that light from the first day.

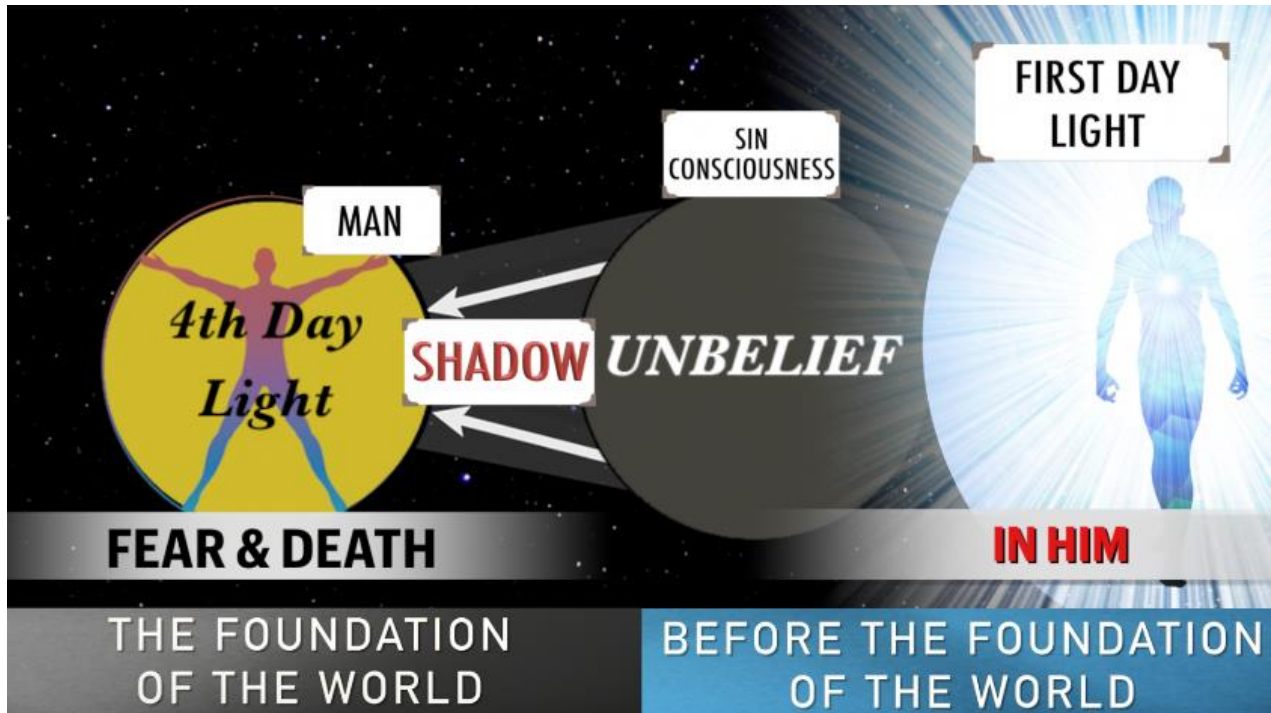

Are you with me? You carry that light. I carry that light. That light is in me, because we were in Him from the beginning.

That's what Paul says in Ephesians.

Turn over to **Ephesians 1:3-4**

*Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ, just as He chose us in Him before the foundation of the world, that we should be holy and without blame before Him in love.*

So, before the foundation of the world, before this dimension that was formed in fear of death (that's this dimensional world), we were in Him in that light from the first day.

You see this whole transition where we are spiritually from the beginning? This is good to see.

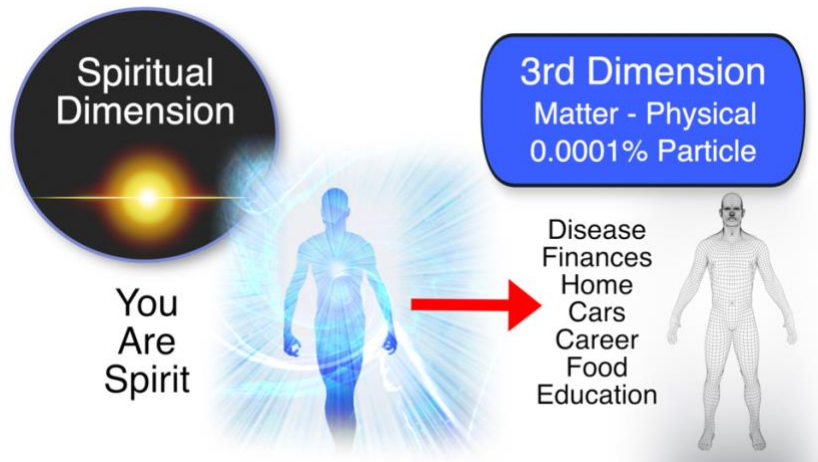

So, we see the spiritual dimension where the earth was formed from, where it was void, and darkness was over the face of the deep.

And God said, "Let there be light."

So, from this spiritual dimension, light comes out, and we are all from this dimension. This is you and I in the Light (First Day Light). We come into this dimension (the third dimension) where matter is, where physical things are, where the atom is.

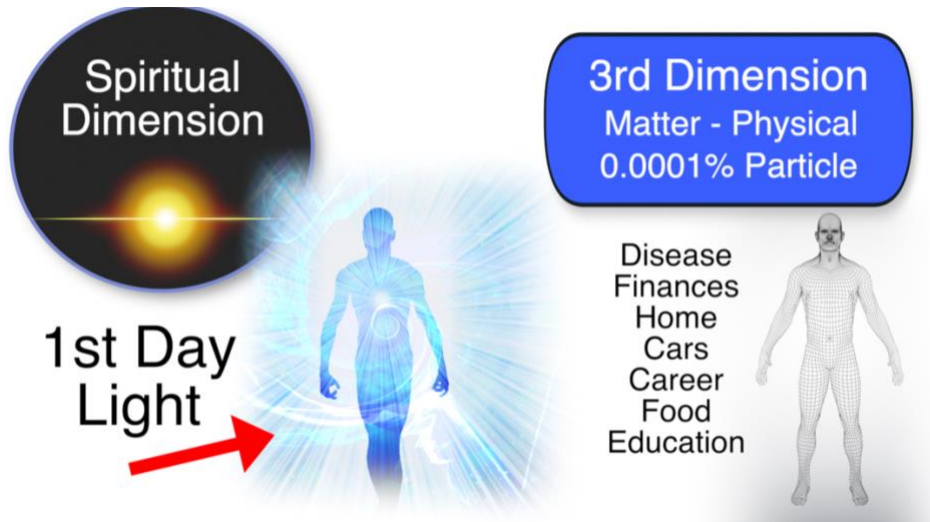

Remember we spoken about the atom that is 99.9% spirit, and that there's 0.0001% particle (and that's the matter that we're talking about)?

Okay, this small percentage is the physical dimension that your physical body resides in.

But who you are is spirit. You are from the first day light that comes into this 3<sup>rd</sup> dimension. And that's what it says in John 1.

The Word, which is Christ from God, from this spiritual dimension, carries the light and the life of men.

All men that have life came from inside the Word of God when He spoke, right? This is who you are. You are spirit. That means this matter, this physical being that's on the outside of your spirit is not who you are.

That physical being is what you have become through *believing what your senses have told you*.

Your senses: seeing, smelling, tasting, feeling, hearing, all of that along with what you were raised to believe as a child, has created this physical being.

You have the greatest opportunity right now to be such a dynamic creation of God, but it requires discipline on your part.

You cannot wait for something in the future. You cannot wait for something in the environment to change what Christ has already done on the inside of you.

That is the biggest lie that we tell ourselves every day, that once I have money, I'm going to be okay. Once I have my health, I'm going to be okay. If I could just have this place to live, I'm going to be okay. If Jesus will just return and get rid of my enemies, I'm going to be okay.

He's already done all those things and He could give you everything that you desire today, and it still wouldn't change your perception of life.

Why? Because you believe the wrong things.

And just the same way you chose to believe that you can choose to believe what is correct.

Start by doing nothing but reading the red letters of the Bible. Just read the words of Christ.

Concentrate every day, every day when you wake up, just read the words of Christ, and allow that spiritual impartation to start to refocus your mind and your heart.

Because what you think and what you feel has created your personal reality.

And that personal reality has started to create your world.

And that world you have created to validate your physical being.

So, the same way you've created that world in the physical, you can create that world in the spiritual.

Because that spiritual world is real.

So, I just wanted to come to you today and give you some things that will help you get focused on where you are and what you are going through.

Until next time.
