

FLINT PROGRAM

The Authentic Brand Flint is crafted from a premium blend of 45% Polyester, 45% CD, and 10% Spandex, offering a quality performance quarter zip ready for your customizations. The 220gsm fabric is not only stretchy, but also features moisture-wicking properties and UV protection for enhanced comfort and durability. The Flint is distinguished by its semi-fitted design, raglan sleeves, and overlock stitching, making it a standout choice for both style and performance.

In addition to the specs mentioned above, these models also include the following made-to-order features:

Men's - 154412

- Sublimated Panels
- Self-Fabric Tall Neck (6.5cm)
- 1/4 Zip, Nylon Teeth and Tape
- Rubber Zipper Puller
- Thin Silicone Print Logos

Women's - 154413

- Self-Fabric Tall Neck (6.5cm)
