Amphora – Lounge chair
Design by Noé Duchaufour-Lawrance

‘Amphora’ lounge chair borrows its lines from the ancient Roman clay vessels after which it was named. The design focuses on the bare essentials to emphasize its beautiful shape and carefully chosen materials. Like amphoras of Antiquity, the shell is supported by a ring-shaped leg structure that cradles the seat, leaving ample room for the body to bloom into an enveloping form, creating an inviting and relaxing piece.

Amphora promises an experience of Hedonistic comfort.
