

Tenso

Luca Nichetto, 2018

Modular sofa / Occasional table

Fulcro del sistema è il telaio: una struttura tubolare leggera e solida su cui vengono fissati i vari elementi – sedili, schienali, cuscini e piani tavolo tra cui si viene a creare una tensione che mantiene le varie parti sospese e aperte.

The core of the system is its frame: a light and sturdy tubular structure to which the various elements are fixed – seats, backrests, cushions and tabletops, between which a tension is created that keeps the various parts suspended and open.

Das Kernstück des Systems ist der Rahmen: Eine leichte und starke Rohrstruktur, an der die verschiedenen Elemente – Sitzflächen, Rückenlehnen, Kissen und Tischplatten – befestigt sind. Unter diesen Elementen entsteht eine Spannung, die die einzelnen Teile schwebend und offen hält.

Le cœur du système, c'est le piètement: une structure tubulaire, légère et solide, à laquelle sont fixés les divers éléments – assises, dossiers, coussins et plateaux de table – entre lesquels se crée une tension qui maintient les différentes parties suspendues et ouvertes.
