

Hebrew Vocabulary Flashcards

This set of Hebrew Vocabulary Flashcards Keyed to Kelley's text was prepared by Nate Wilson for students at Sangre de Cristo Seminary.

The chapter number in the Kelley text in which the vocabulary word appears is printed on each flashcard, followed by a period and the word number in the list.

To prepare the flashcards from this set of originals, photocopy them front-to-back onto card stock with the back sides upside-down of the front sides. Then trim about one-quarter inch off the four sides of the finished page and cut into sections.

A copy of the original on paper and on disk as a MSWord document will also be kept on file in the SDCS office, 6160 CR 130, Westcliffe, CO 81252.
