

Lips

Universal cushion

I cuscini Lips sono caratterizzati dal bordo nero e dalla cucitura centrale che li fa sembrare una bocca. Adatti a qualsiasi sedia, sono rivestiti di materiale antiscivolo nella parte inferiore.

Lips cushions feature a black trim and a central seam, which makes them look like a mouth. Ideal for any chair, they are upholstered in non-slip material on the underside.

Die Kissen Lips zeichnen sich durch eine schwarze Einfassung und eine Mittelnaht aus, die an einen Mund erinnert. Sie passen zu jedem Stuhl und sind auf der Unterseite mit rutschfestem Material bezogen.

Les coussins Lips se distinguent par un passepoil noir et par une couture centrale qui les fait ressembler à une bouche. Ils peuvent s'utiliser sur n'importe quelle chaise. Les dessous des coussins sont revêtus d'un tissu antiglisse.
