Birds of a feather

Read the idioms and match them to their meaning in the table below.

hint: the number of the meaning matches the picture of the idiom

IDIOM		MEANING
Birds of a feather stick together		To make yourself as comfortable as possible 1
Don't put all your eggs in the same basket.		People will often have friends with similar ideas and interests. 2
To feather your nest		It's not always a good idea to put all your efforts and resources into one thing it's better to spread them around, just in case something happens to the basket. 3
