

The Light of Revelation and the Timeless Dimension

Remembering Our Future Series – Session 3 | English Transcript – Emerson Ferrell

We're back with you again this week. It's getting so exciting every week. I wish all of you could be here with us. So, this is the next best thing we can do. And we're very excited to be able to give you something that you can meditate on and work through.

We know that the times we're living in right now are very, very special. And when I woke up this morning, I really heard the Holy Spirit say, *"The winds of change have begun."*

So that tells me that what started in the spiritual *before the foundation of the world* is reaching the material realm right now. And He gave me a verse that I want to encourage you with. So, turn with me to Hebrews 10. And this is something that I believe that all of us can really understand. Because this is the time when we really need to be encouraged.

Hebrews 10:35-38

"Therefore do not cast away your confidence, which has great reward. For you have need of endurance, so that after you have done the will of God, you may receive the promise:

For yet a little while, and He who is coming will come and will not tarry. Now the just shall live by faith; but if anyone draws back, My soul has no pleasure in him."

So, several things are been spoken about here. The writer is saying, *"Have confidence and don't lose that confidence."* Because confidence in what you experienced yesterday or 10 days ago or years ago, has reality now, because it was given to us for endurance. It's like seeing a port in a storm. You're out in the ocean and the winds are blowing and the boat is rocking, but you see shore. That's what revelation is from God. Because it has to go through all *the stuff* that we have built up that resists change. You have to have the endurance to go through it because He gives us "what we need," "when we need it" for as long as we need it.

The importance of our life today happened *before the foundation of the world*. And that's why we're talking about this. The name of this series is **Remembering Our Future**. And in order to remember our future, we have to know what our origin is.

In the timeless, invisible spiritual dimension, we were all in Him.

Let's look at this verse in **John 17:24**

Father, I desire that they also whom You have entrusted to Me may be with Me where I am so that they may see My glory which You have given Me (as Your love gift to Me), for you loved Me before the foundation of the world.

Jesus is talking about **two things** here.

We see that “we were in Him” before the foundation of the world. And we see that before the foundation of the world, “we were in the love of God.”

Jesus says, ***“You loved Me before the foundation of the world.”***

And in **1 John 4:8-9**

He who does not love does not know God, for God is love.

In this the love of God was manifested toward us, that God has sent His only begotten Son into the world, that we might live through Him.

Live through Him. In other words, **we're not living our life, we're living through what He did.** Listen, if you don't get that, then everything in the scripture will not make sense.

Remember in **Ephesians 1:4**, it says that we were in Him before the foundation of the world.

“Just as He chose us in Him before the foundation of the world, that we should be holy and without blame before Him in love,”

How many of you are getting this? Look at Genesis 3:7. We see there's a conversation between God and man.

Genesis 3:7

Then the eyes of both of them were opened, and they knew that they were naked; and they sewed fig leaves together and made themselves coverings.

That might be the first place for a “face mask.” ☺

So, they knew they were naked, and that's when their eyes were opened to the physical dimension. That's the first part. And then the second part.

Genesis 3:10

So he said, “I heard Your voice in the garden, and I was afraid because I was naked; and I hid myself.”

So, Adam assumed that God didn't like his naked body. **Fear never knows The Truth.** I'm going to say it again. You need to write it down:

You can never discover the truth as long as you are afraid. The truth will not resonate inside of a body that is fearful. Your mind and your thought processes resonate at the frequency of fear. That means that whatever has that frequency is what you can receive. **Truth does not have that frequency, because it comes from God, and God is love. He has a frequency that has nothing to do with fear.**

In fact, in **1 John 4:18**, it says:

“There is no fear in love; but perfect love cast out fear.”

So, the frequency of truth is in love. It's not in fear.

So, Adam did not know, or he did not tell God why he was afraid. God knew. It's like your child when you discipline. He knows what he did wrong, but he's going to blame his brother or his sister, which is exactly what Adam did when he was caught red-handed.

Adam said, *“It's the woman you gave me.”*

And the woman said, *"It was the serpent."*

This is the world system. And we also discovered where fear came into the earth. Fear and death came into the earth in the same chapter in Genesis 3:3. This is a conversation that the woman is having with the serpent.

Genesis 3:3

"...but of the fruit of a tree which is in the midst of the garden, God has said, 'You shall not eat it, nor shall you touch it, lest you die.'"

So, *death entered in* because the woman pronounced that the death was coming because of their sin.

You see, God created us to be His creation and be creative. We are creative. What you think about is what you get. What you continually go after, God is going to give it to you. Because He does not withhold anything from us. But we don't understand our connection with the eternal.

We have this misunderstanding about *the physical* and *the spiritual* and *the soulish realms*. Because we have not understood what the scriptures are talking about. We read it "separated" from the scripture.

This scripture is you. This scripture is me.

Everything written here is by me, for me, and to me. You're not separate from what God is writing here. You have the responsibility of every human being on the planet.

I'm telling you things that probably you can't possibly grasp right now, but I want them to settle in your spirit.

Because you have to have confidence, that the revelation you know about Christ as your Savior, will release the endurance it takes for you to manifest what He has for you.

Don't give up. It will not tarry. It will come. Because this is the promise of God. This is the promise to you. You have to be personally engaged in everything you know.

Don't try to look to your right or to your left or your neighbor. You are responsible. You are spirit. You come from the Spirit of God. You come from the love of God. He wants to give you everything, but you have to recognize that you have it.

He put it here (within you). You're not waiting on something so that you can feel whole. So many people are waiting on their healing. Waiting on their abundance. They want money so they can have freedom. They want healing so they can feel good.

If you're creative and you're a spirit, and you are, start feeling it now. Live it now. Your body and mind don't know that you don't, or you do. You are the one in charge.

If you "give in" to your body according to your feelings, you'll never be able to think higher than the way you feel. And then you'll be living in fear. And you won't know the truth even if it's standing in front of you. And that's the situation many people are facing today.

God is sending many things into the lives of all of His people to give them the revelation of who He is and what He's done. But because of our emotional attachment to fear and anxiety and frustration, we can't receive the truth. Are you with me? Are you following me? Okay, let's go back to the old board here.

So, if we are "in Christ" and "in His love", and that's our origin (*which is before the foundation of the world, which was based in sin and fear and death*) then this is where our glory is. And this is why God talks about the glory of man, the glory of stars, the glory of all these different creatures (*see 1 Corinthians 15:40-41*).

All the glory was here (in HIM) before the foundation of the world. Now, when God said, "Light be," He said it long before it was recorded in Genesis 1:3.

You see, in eternity (in the immortality, in the timeless dimension), He can't be anywhere without there being Light. And it had to travel through all these dimensions to get to the

third dimension before it could be manifested in the ears and in the frequencies of this planet, into the stars and into the galaxies that keep expanding.

So, as it travels through the dimension, this light, it changes frequencies, and it changes dimensions. And all of this is done so that you can understand that God has completed everything when Jesus said, **“I am going back to My Father.”** (see John 14:28, John 16:28, and John 20:17)

Look, let me show you something. Go to Romans 8.

Romans 8:37-39

Yet in all these things we are more than conquerors through Him who loved us.

For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.

So, when the Light was moving through the dimensions and changing everything it touched as it was going through, all of the spiritual creation was being done at that time.

And the order in those dimensions were listed here in Romans 8:38 by according to what Paul is saying. He calls it angels, principalities. He calls it angels. (Look at Ephesians 6:12) All you warriors have quoted this scripture forever.

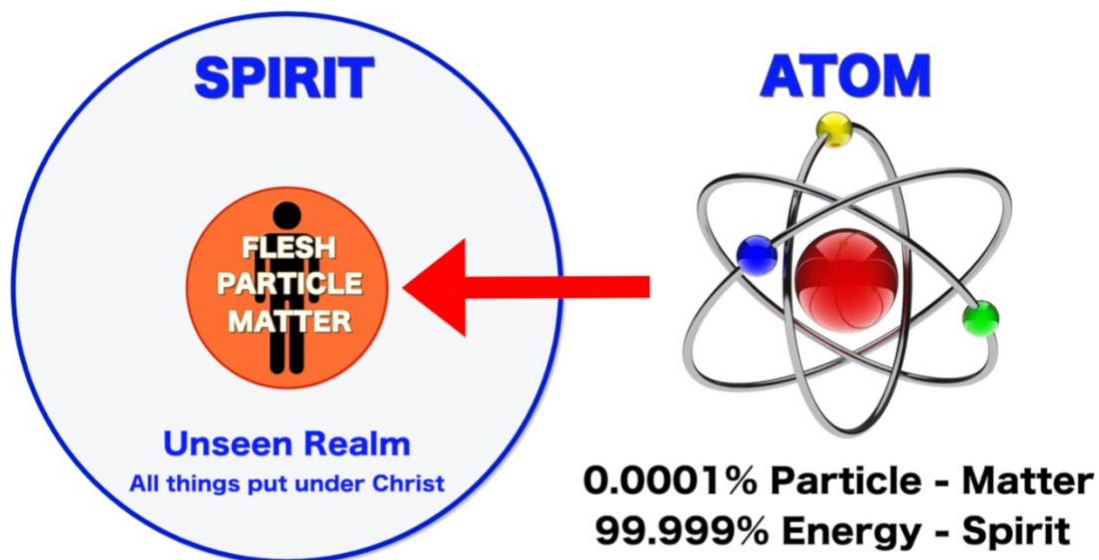

Ephesians 6:12

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

So, as His Light and His spiritual creation is being done at the same time as it passes through the dimensions, angels are being created, principalities are being created, powers are being created, all of these angelic things that we see in these dimensions are all being created through His Love and Light as it's passing through the dimensions.

Are you following me? This is very important. You got to get this. Because it all started right here “in Him”. And as it passes through these dimensions and reaches the third dimension, God has already created this atomic energy, this physical matter that's going to create material. But **the majority of this atom is spiritual (99.99%)**, still connected to the spiritual dimension.

But we do remember how that less than 0.0001% is matter, particle. And in reality, this is the mustard seed, folks.

Remember what Jesus says about the mustard seed? (Read Matthew 13:31-32)
This is the mustard seed. So, He uses the *mustard seed* to talk about how you can produce great trees and lots of produce from a small mustard seed. So, this is the reality of what's taking place in this physical dimension.

And then *the foundation of the world* is set in the material realm because of the sin of Adam. So, we see from this point on, this is the foundation of the world. And this we know, is the result of what happened in **Genesis 3**.

But man was created on the sixth day, in order to rule over this dimension. Because he was created with the same likeness of his origin. Adam had the spiritual understanding because of his nature and where he was from. He was “of the earth”, but he was not “from the earth.” He was “from the mouth of God” into his nostrils. **That's his (Adam's) origin, and that's your origin. That's who you are. You are this light. You are this love.**

So, when Jesus resurrected, He went “back”, where? Back to *the Origin*. So, every place He went, He cleansed. Not only did He cleanse the Heavens, but for three days, He was in “the pit” of what was created from *the foundation of the world*.

And Peter writes about Him preaching to those spirits in the prison when He went to hell. (see 1 Peter 3:18-20) So, **what Jesus did was complete from the very bottom to the very top.**

Our situation right now, because we are in this third dimension, physically, that we have to deal with this atomic structure. So, we have to understand that photons and electrons are these little particles of light that has made it through all these dimensions. And all light carries the “Source”, that's why we're all connected.

Psalm 33:5

He loves righteousness and justice; the earth is full of the goodness of the Lord. By the word of the Lord the heavens were made, and all the host of them by the breath of His mouth. Let all the earth fear the Lord; let all the inhabitants of the world stand in awe of Him. For He spoke, and it was done; He commanded, and it stood fast.

And in **Hebrews 11:3**,

By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.

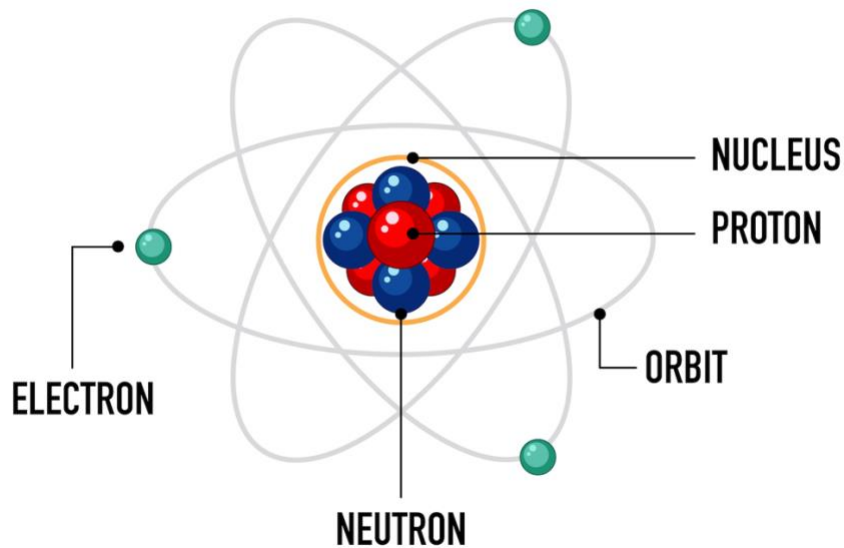

So, we know that everything started from the invisible. And when it talks about framed, we're talking about kind of like a “virtual reality”, do you know what a “virtual reality” is?

A “virtual reality” is where you play an imaginary game in an imaginary space. And all of these makers of these kinds of things try to make it “what they call real”. So, to the extent that “they think” this is real, they make something that looks like what we see in the material realm. Because the mentality in fear can only understand that kind of reality. So down in this dimension of three dimensions, photons, electrons, and all of that have an effect on this physical realm.

If you have an atom, you have a nucleus, which is the center of the atom. And you have photons, and you have electrons. Electrons are on the outside of the atom. And they spin around the 6 billion revolutions per second. And every atom can have as many as 82 electrons. The number of electrons is the physical nature of the atom, say, silver, gold, etc.

For example, Carbon has six electrons. So, it has six electrons that spin around this carbon atom at 6 billion times per second, and atoms you know there must be at least 10 million atoms on your thumb. And all of those atoms have electrons spinning around them.

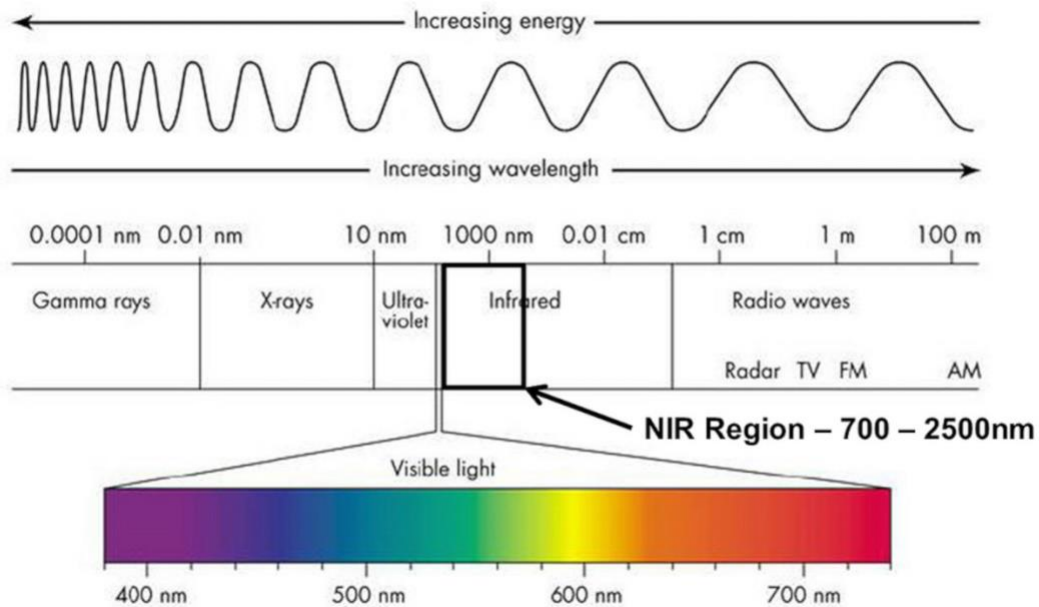

And if there's electrons out here, and they spin around, they never collide with one another. **The electron is the spiritual dimension of God**, because it is the energy of the atom, it is what gives it life. And your brain is all electrons.

Now listen to me. So, when you have a thought, you're firing electrons. **And electrons, when they come close to one another, they displace one another and create a wave.**

And the *space between the wave* is what we call **frequency**. And frequency is determined by your thoughts. In other words, not determined by your thought, but **what you manifest is determined by your thought**. So, if all you think about is money or your sickness or what you don't have, that's the frequency. See, material in general has the lowest frequency and the highest vibrational waves. That's why when they're moving this fast, you touch a surface, and it feels solid. Because those electrons are spinning six billion times per second around this small atom. So, it feels solid. The taller the waveform form the denser the frequency. Makes sense? For example, steel would be a high wave form because that metal is very dense in atoms. All hard surfaces are very "high" wave form.

You've seen the scale of infrared to ultraviolet light waves. Ultraviolet has a shorter wave frequency than infrared. So, at this end of the "light" spectrum known as "Ultraviolet", the wave is higher, and the frequency is more dense than "Ultraviolet" waves.

That's why in the rainbow, it's harder to see the colors at the ultraviolet area than it is the infrared. That's this light. This is the light that we're viewing in this dimension, the third dimension. This is not the kind of wave form that comes from the spiritual dimension (First Day Light), and the amplitude of this wave of light from the Origin is invisible, you can't even draw it, but it carries the frequency that resonates with every creature.

So, the First Day Light that starts from the Origin ("In Him") is invisible but is greater in strength than any light in this dimension.

You remember what the disciples said when they saw Jesus transfigured on the mountain? (see Matthew 17:1-9) Those lights were so bright, it penetrated their eyes, but it also carried information. And this is what I want you to get. So, the Light (of Christ, the Origin) carries information, even though you can't see it with your physical eyes. And this is what brings revelation. And it passes through all of these dimensions, and it enters into your spirit in this third dimension.

Now, it must go through all *the filters* that we have created. That is where the battles are.

That's why people want to use the physical dimension, built from this foundation of the world, to understand the revelation that's from the spiritual dimension in Christ, and it can't be done. You have to be in Him. You can't be trying to understand what is from heaven here in the 3rd dimension. This is why science says, "You can't change matter with matter." There's no change from this "material" condition. It has to be from this "spiritual" position.

Write that down:

You can't change from this condition (physical, material), you have to be in this position (spiritual).

It's a positional thing.

And that's where *the change* starts to take place, and you start to see from this spiritual dimension. Because the more you become disassociated with the frequencies here in the 3rd dimension (detached), the greater receptivity you have for the higher frequencies that are in the spiritual dimensions in Christ. That's why Moses' face glowed, not just because he was before God, he was in heaven, he was in this spiritual place. Moses' physical being was altered, because he was not attached to the physical. And because he became attached to the physical dimension, is what disqualified him for the promised land.

That's very good. So, this is a lot for you to get. But I really want you to meditate on this.

Every dimension was cleansed by Jesus when He resurrected and ascended back to the Father. So, your battle now is because of what you have attached yourself to in this foundation of the world.

That's why I keep telling you, you have to *be conscious*. Because that conscious place is a spiritual connection. **And you need to make time every day to get into that dimension; to begin by closing your eyes, listening to worship, and just fighting for the presence.** That's the only way you can start to break this connection you have with the foundation of the world. And when you start *breaking it*, you'll know it because you'll stop thinking about what you've been thinking about. And then you'll start to see the emotional charge you have with those thoughts.

Okay, in the last teaching of this series I said I was going to tell you why Lazarus was resurrected (“born”) on the fourth day. I’m going to end by telling you that right now.

Lazarus was resurrected (“born”) on the fourth day.

Those of you who have followed our resurrection teachings understand that Jesus was prophesied that **He would be resurrected on the third day**. That’s number one. Christ is number one (Christ was the “first born” from the dead, see Colossians 1:18). So, there could only be one Savior. It couldn’t be Lazarus and Jesus. It had to be Jesus only, right?

Look what happened on the **fourth day** in creation.

Genesis 1:14-18

Then God said, “Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs and seasons, and for days and years. And let them be for lights in the firmament of the heavens to give light on the earth,” and it was so.

Then God made two great lights: the greater light to rule the day and the lesser light to rule the night. He made the stars also.

God set them in the firmament of the heavens to give light on the earth, and to rule over the day and over the night, and to divide the light from the darkness. And God saw that it was good.

Now turn to John 11, when Jesus resurrects Lazarus.

John 11:39-40

*Jesus said, “**Take away the stone.**” Martha, the sister of him who was dead, said to Him, “Lord, by this time there is a stench, for he has been dead four days.”*

*“**Did I not say to you that if you would believe, you would see the glory of God?**”*

So, on the fourth day, Jesus called Lazarus forth. The resurrected Son of Man is the “Star” that governs man. It is the Greater Light in this earth. It has to be the one connected to the resurrected Christ from the third day. Jesus resurrected on the third day and cleansed the heavens as He went to rule and reign from the heavens.

And the resurrected son of man, which is who we are, takes his place above this earth as that light for all men to see Christ. We must be the resurrected light for this planet.

And the *fourth day* is where we begin our life. We must be resurrected, and that's where you start as a believer. We're all Lazarus when we come to Jesus. Did you hear me? We're all dead. And that's why Jesus said, *“Let the dead bury the dead. But you follow Me.”* (see Luke 9:60)

So, when we're resurrected in Christ, we're **born of the water and the spirit**, and we are now the *light of this world*. We're not governed by the light of the foundation of the world. Did you hear me? The foundation of this world follows the *duality mentality* from the first Adam.

The point I'm trying to make is very simple: **Christianity begins at the resurrection.**

And when you are resurrected because you know Christ, (*you see, Lazarus knew Christ. He was intimate with Jesus. He ate with Him many times. He knew Him.*) you know Him. So be resurrected in Christ, and sit with Him in the heavenly places, and rule and reign in Him.

That's what we read in **1 John 4:9**

In this the love of God was manifested toward us, that God has sent His only begotten Son into the world, that we might live through Him.

He is Light, and we are living in His Light, and we are the *fourth day light*. Are you with me? I hope this is getting through. I believe it is. I really believe you're starting to get this, because it's going to be really helpful for you in these days to come. Keep up the endurance, keep up the confidence. The work He's begun in you, He's faithful to complete.
