

Exploring Creation with Mathematics, Level 2 – Errata File

This file contains the clarifications and corrections for the 1st Printing: March 2020 of the **Student Text and Workbook**.

You can find which printing you have by going to the publications page in the front of your book. The printing for the Student Text and the Teaching Guide & Answer Key may not be the same. Corrections for the Teaching Guide & Answer Key are in a separate file. (posted 2024)

Corrections:

Page 111 – In the top box with green headings, the second line should say **Even** numbers: 0, 2, 4, 6, 8...

Page 122 – in the middle column of the box (Numbers), the numbers listed should be 17, 8, 9, 13, 5, 15 only (**duplicate 8** is unnecessary).

Page 136 – In the second problem, shift the +3 and -3 to the left so they are beneath the 37 and 28.

Page 172 – In the second number line, number 47 is listed twice. Renumber to **48**, continuing to the end, through 56.

Page 173 – ‘You Will Do’ second box, the middle two columns of individual blocks should contain **10** (not 12).

Page 347 & 348 – **add vertical graph lines** at ‘week 1, week 2, week 3 week 4’ on the graphs.

Page 349 – **add vertical graph lines** at ‘Monday, Tuesday, Wednesday, Thursday, Friday’ on the graph.
