# FAQS

## 1. Can I choose my cotton twill and mesh colors?

- Absolutely! You can select your preferred colors from the options listed on pages 3-4.

## 2. Can I have a 3D logo?

- Yes! You are allowed one 3D logo on the front of the cap.

## 3. Can I private label?

- If we've collaborated before and already have your labels from a previous project, then yes, we can accommodate private labeling.

## 4. Do all logos have to be embroidery?

- Yes, embroidery is the sole option for logos in this program.

## 5. Can I choose the snapback color?

- Let us know your preference, and we'll strive to find the closest match.

## 6. Can I change the eyelet and stitching colors?

- Certainly! Just inform us of your desired colors, and we'll make it happen.

## 7. What if I like a style but want a custom color?

- Custom color options are well within our capabilities. However, customization does extend beyond the standard 21-day timeframe and the listed price. Let's discuss your requirements!

## 8. Am I limited on number of logos?

- Nope! Just note that each logo location must contain at least 3,000 stitches.

## 9. 21 days to ship it?

- The "timer" starts after you have approved the sample and ends once it hits your doorstep.

## 10. Will I see a sample?

- Certainly. Take your pick on 1 of these 3 options: A) photos of a full sample for your virtual approval B) Just sewouts if you would like to speed up the sample process C) Physical sample in your hands. Please be aware that it will extend your timeline by approximately a week.

## 11. What if my logo is over 15,000 stitches?

-Extra stitches are charged at \$.10 per thousand.

## IT DOESN'T NEED TO BE BASIC

**CHOOSE YOUR STITCH COLOR**  
match or contrast

**CHOOSE YOUR EYELET & BUTTON COLORS**  
match or contrast

**COLOR BLOCKINGS YOU SEE AREN'T WHAT YOU HAVE TO GET. CHOOSE YOUR COLOR COMBOS OR KEEP IT SOLID ON ANY MODELS!**

## TAKING YOUR 21 DAY CAP TO THE NEXT LEVEL

We get it. The 21 Day Cap Program is great and all, but sometimes you are hungry for more. Use this as a guide in enhancing your standard headwear game.

1. Begin by selecting a cap style from our 21 Day Program.
2. Enhance it by incorporating one or more of the custom options listed below.

Please be aware that due to the complexity of these modifications, your custom project is no longer a "21 DAY CAP" and will not adhere to the 21-day delivery schedule. Your sales representative will assist you in obtaining an accurate estimate.
