ADDITIONAL OPTIONS

Template Details & Options	Notes *(fabric to use, changes to make, etc.)*
☐ 18 **Eyelid** – Hand sewn to project after stuffing	
☐ 16 – 17 **Raised Nose** – Hand sewn to project after stuffing	
☐ 19 – 23 **Toe Bean Options** – Machine applique prior to sewing project together OR hand applique after the project is sewn (puffy option)	
☐ A1 – A2 **Split Muzzle** – These replace template #1. This option is for color blocking a different color/fabric for the muzzle OR it is also necessary if using the jowl option.	
☐ A3 **Jowl/Lip Overlay** – Use with templates A1-A2, these replace template #1. Jowl must be made with split muzzle head side option. Recommendation: Make the A2 pieces in black fabric and make the inner side of the jowl pieces in black fabric.	
☐ A4 – A5 **Split Muzzle Chin Gusset** – these replace template #3. This option is for color blocking a different color/fabric for the throat and the chin.	
☐ A6 – A7 **Split Muzzle Head Gusset** – these replace template #2. This option is for color blocking a different color/fabric for the top of the muzzle/center of the face.	
☐ **Soft Sculpt Toes**	
☐ **Add weight to bum** for sitting	
☐ **Bent Ears** – Add wire, see Step 4.
