Actual Lessons: Live Interactive “Zoom” Webinar – for “In-Person” Learning

Technology needed to take the class:

- Each attendee must view the class on a dedicated computer, tablet, or smartphone with functioning video/audio capabilities.
- Class notes and certificates of completion are available to print.

Means to Monitor and assure Attendance:

- Attendees must maintain visual continuity throughout the lecture. Our administrative staff will monitor their presence.
- Intermittent survey/quiz questions will be offered throughout the lecture. Attendees must answer those questions for credit.
- At the end of the lecture, Zoom provides a report verifying that attendees have answered all questions to ensure attendance compliance.
