It's a great honor for us to be here. It is one of the places we haven't been but always wanted to go. You know the earth is a very unique place in the eyes of God, because He sees not just a person, He sees people, and in His eyes "everyone" is the same. God is all about wholeness and what man has done throughout the ages was try to separate himself, and when He tried to exalt himself, he separated himself that much more from God. The message today is "Wholeness" and it is greater than Oneness, because Wholeness means there is not anything that is not united. One of the fastest ways we can get into that understanding is through worship.

Worship does not need translation, you are not divided by languages because the heart is the one that worships and when you are "whole" and "one" with God, your heart is worshipping with Him. The worship this morning was tremendous. How many of you all felt the presence of God in here?

He inhabits the praises of His people, and that is a fact. Wherever we go that is what happens. How many of you know that God knows you by your frequency. Your heart is the strongest organ in your body because it emits a frequency wherever you go. Your mouth can say one thing, but your heart reveals the truth. I remember people that used to say, "*I'm prosperous, I'm healthy, I'm wise...*" and all of those things with their mouth, but their heart was saying, "*I'm broke, I'm sick, and I'm despised*".

Those are contradictory frequencies. People cannot pray with that kind of contradictory frequency inside of them. If what you think and what you feel are not the same, your prayers are useless. And that is what the heart does when it worships, it tunes the rest of the organs and the body and the soul with the frequency of heaven. Some years ago we created a worship sound, and we are going to play that this morning and I want you to close your eyes, and I want you to hear in your heart how the sound is being released, then when you get caught up in your heart and spirit, then begin to open up your mouth. So just close your eyes.

Worship music playing....

Allow the Spirit of God to do that work inside of you. He's tuning you to the frequency of Heaven. Don't stop. Your spirit is out of alignment and He is aligning your spirit. The Lord is healing those with respiratory problems, with lung problems, sinuses are being healed. He's speaking to each and every one of us right now. He speaks to you through your frequency. He bypasses your intellectual mind when He speaks to you. Man has used His soul, which has been the instrument of destruction, but when you come into the presence of God He speaks to you in His frequency directly to your spirit. We are not flesh and blood, we are spirit and if we begin to understand what that means he can build upon your revelations. Most people have revelations from their soul, but that is not revelation that is intellectual imagination. Worship bypasses your analytical mind, you are no one, you are in no place and you have nothing. You are spirit, you live in Him. The Church for so long has misunderstood the teachings of Christ. They have tried to understand it with their soul, but He speaks to you in your spirit.

English Transcript - Emerson Ferrell

In these meetings today I am going to give you tools for the next several meetings. The work will be up to you but you will have the tools to discover what it means to live as a spirit. When you understand the foundational principles of the words of Christ, the rest of the Bible will unlock itself for you. We are not flesh and blood, we are spirit and we are in wholeness and of God.

I'm going to share some scriptures with you that talk about that connection we had with Him.

Love is the frequency of Heaven, the currency converter is Faith. In that region, in that dimension, "nothing is impossible."

"You are My beloved," says the Spirit of God. *"I knew you before the foundation of the world."*

You were in Him before the foundation of the world.

"I never told you to leave, I never told you to leave. If you were in Me before the foundation of the world, you still have access. That is where I see you, that is where I speak to you. If you feel separation it is because you built the wall, I didn't. Tear down the wall today."

Just wave your hands before the Lord. We worship You Lord, we glorify You Lord, be exalted in this place Holy Spirit, receive all the worship and the glory Father!

John 6:63

"It is the Spirit who gives life; the flesh profits nothing. The words that I speak to you are spirit, and they are life."

No one throughout history can ever say that sentence. No one can give you life by speaking to you because they speak to your soul. Jesus speaks to our spirit, and that is the only place there is life. Are you with me?

So if we hear words that are not from Jesus, they are flesh and they profit nothing and yet the whole world is consumed with the words other than Jesus'. Why? Because they love death more than they love life. They won't tell you that, but that is what they are saying. So when you read scripture, you must read the words of Jesus. He feeds your spirit and that is where your life is.

Ephesians 1:4

"Just as He chose us in Him before the foundation of the world, that we should be holy and without blame before Him in love,"

Now what does that mean? If He chose us in Him before the foundation of the world, what is the foundation of the world?

It is critical to understand the difference between the foundation of the world and the kingdom of God.

Matthew 6:26-27

“Look at the birds of the air, for they neither sow nor reap nor carry into barns; yet your Heavenly Father feeds them. Are you not of more value than they?”

“Which of you by worrying can add one inch to his stature?”

Worrying is what people do best. Worrying and stress is how people live it is how they survive. Jesus is saying, “The birds don’t sow and reap.”

How many of you have heard messages telling you to “sow” and “reap”? Have you heard those messages before? In the kingdom of God you don’t “sow” and “reap”. Wealth is generated through your spirit, not what you do with your hands. And Jesus says, “You don’t worry either.”

Matthew 6:28, 30

“So why do you worry about clothing? Consider the lilies of the field, how they grow: they neither toil nor spin;”

“Now if God so clothes the grass of the field, which today is, and tomorrow is thrown into the oven, will He not much more clothe you, O you of little faith?”

How many of you store and keep everything you get? How many of you got so much stuff that you don’t know what you got but you got it stored somewhere? Whatever you are holding onto, you are telling God – “He’s not going to provide for you”. We all do that.

And that is just telling us here and explaining to us that we have to live in the present of abundance that God has provided for us.

Matthew 6:31-32

“Therefore do not worry, saying, ‘What shall we eat?’ or ‘What shall we drink?’ or ‘What shall we wear?’”

“For after all these things the Gentiles seek. For your Heavenly Father knows that you need all these things.”

But Jesus is giving you the key right now to having all of those things chase you.

Matthew 6:33

“But seek first the kingdom of God and His righteousness, and all these things shall be added to you.”

And we read that verse and we think that righteousness means we got to be good. The Kingdom of God is Jesus Christ. He is the Righteousness of God, and when Jesus is speaking about this, He is telling us, “if that is your primary goal in your physical life,” your spiritual antenna will go up and He can speak to you. Because in Luke, Jesus says the Kingdom of God is not visible, you can’t see it with your eyes. You can’t feel it or touch it or smell it or eat it. It is invisible. Just like your spirit is invisible, but yet that is the most important thing you can do in the material realm. How does that make sense? It must make sense if Jesus is speaking about it.

Our goal is to understand the difference between the Kingdom of God and the foundations of the world. We have been taught as children, as babies, how to navigate through this physical realm, to make our senses the governor of our reality, and all that does is empower the soul and the analytical mind and detaches the spirit from ruling your life. So, if we were in Him before the foundation of the world, that means what? We have already been in the kingdom. That means you don’t have to seek for it. You are already there, but you leave it every time you use your senses or your soul to make decisions.

When Jesus resurrected as the Christ, the Kingdom of God and the whole earth was covered with His glory. Everything that you are fighting in the natural is because you choose to believe the natural over the spirit. I’m going to show you where the foundation of the world began.

In Genesis 3, that is where man decided to disobey God, and this is where the woman was having a conversation with the serpent in the garden.

Genesis 3:1-3

*Now the serpent was more cunning than any beast of the field which the Lord God had made. And he said to the woman, “Has God indeed said, ‘**You shall not eat,** of every tree of the garden’? “*

*And the woman said to the serpent, “We may eat of the fruit of the trees of the garden; but of the fruit of the tree which is in the midst of the garden, God has said, “You shall not eat it, **nor shall you touch it,** lest you die.””*

How many of you know that God never told her that if she touched it she would die?
(See Genesis 2:16-17)

Even the serpent knew that. In verse 4 the serpent said to the woman:

Genesis 3:4

From Concepts to Reality

English Transcript - Emerson Ferrell

Then the serpent said to the woman, "You shall not surely die."

Now the serpent is going to tell the woman what God knows.

Genesis 3:5

For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."

So we see that this tree that was in the midst of the garden was the "Tree of Duality", "Good and Evil", "Right and Wrong", "Judgments", you must "do this" to be righteous.

Everything that has to do with "duality" was from that fruit. But in the mind of this woman, she thought that if she ate of it or even touched it, she would die.

Death was not even a discussion in the Scriptures during the time of Adam and Eve. So where did she even get the word "die"? They were born and created to be "immortal" to live forever. So we are starting to see where the foundation of the world started to appear. Because she had already made the decision that she was going to eat, so she was mentally already corrupted. And mentally you think about death. So we see now that death is entering into the land from her conversation, from her words.

And in verse 10, Adam says:

Genesis 3:10

So he said, "I heard Your voice in the garden, and I was afraid because I was naked; and I hid myself."

Now you remember Adam was the one who gave the names to all the creatures on the planet. So he named all the animals, so his words carried an amazing spiritual weight. These two creations of God carried His word. What they spoke could not be revoked. Eve was talking about "death" and Adam was talking about "fear". So after they ate of "the fruit", the foundation of this world system became the fear of death. Everything in this "duality mentality" world, this third dimension is created on the foundation of the fear of death. And it did not take long for people and rulers and kings to realize how to control the masses. Threaten people with death, make them afraid, and you can tell them what to do and they will do it. And since the beginning of time that has been the strategy of this world system.

And the world and the earth are not the same word.

When God created all things material that was His creation.

From Concepts to Reality

English Transcript - Emerson Ferrell

When He created man, He said, "Now you create the world you want by what you believe." That has never changed. We create our world from what we believe and as long as we live in the system of this world, the foundation will be on "death" and "fear". That is why Jesus needed to have the Kingdom of God established through His death and resurrection, because that is the only thing that destroyed this system.

Now that is theoretical and it is a lot for you to swallow in one bite, but you must meditate upon it to understand and make it practical in your life.

In John 12, there is a very interesting statement by Jesus. This is shortly before Jesus went to the cross.

John 12:31

"Now is the judgment of this world; now the ruler of this world will be cast out."

(The ruler of the world system was judged, not the earth).

The world system and the foundation of this world was ruled by satan. He had the authority over the second heaven, the mentality of men. He could absolutely destroy the way you think, bombard you, harass you, etc... he had the license. That world system remains the same today, because of the fear of death. But it says the "ruler of this world was cast out." And now look at verse 32:

John 12:32

"If I am lifted up from the earth, I will draw all peoples to Myself."

So Jesus had to be lifted up above the earth. So even as the cross was lifted up, it was above the ground, but when His resurrection took place, He was above the earth. So His crucifixion and resurrection destroyed the ruler of this world's system. The "ruler of the world system" not the world system. This world's system operates in this dimension of duality, the three dimensional realm. Everything operates in this dimension with "cause and effect", "right and wrong". Understand that this third dimension is very predictable and easy to calculate how to go from one point to another point, build your building, eat your food...everything operates mathematically in this dimension. But as a spiritual being (and you are supposed to live in the Kingdom of God), that doesn't operate in this dimension.

The Bible says many times that Jesus was "in the world, but not of the world."
(example John 18:36)

From Concepts to Reality

English Transcript - Emerson Ferrell

So physically we are in this dimension, but mentally we choose to participate in this dimension and then we are subject to the laws of fear and death in this dimension. The more involved and attached we get to this dimension, the more stress it produces in our lives. Before long, we are just like everyone else, we are going through the same issues and the same problems. We pray to God and wonder why He doesn't hear us. It is because there is conflict between your heart and what you think.

How many of you believe that you were in Him before the foundation of the world? You are in Him before the foundation of the world, and He never kicked you out of that place. You choose to leave that place every time you want to be a part of this system. It doesn't mean God doesn't love you and you are going to hell. None of that. When you participate in this dimension, you are not punished for your sins, you are punished by your sins because unbelief is what perpetuates this system. This system is operated as the antichrist system, unbelief, shadows. That operates in this dimension. What I want you to understand is the difference between the earth and the world.

When you are talking about the world, you are talking about the "consciousness" in the land. If you turn over to John 3:16, the most familiar verse on the planet.

John 3:16

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."

So He didn't die for the earth, the earth has always been His. He died for all of the people from Adam on whose consciousness was "unbelief, fear of death", He died for us. He had to sacrifice His sinless self to pay the price for the sin of man, which was "unbelief". Sin is not what you do, it is why you do it. So all of the people that feel like they are being harassed by devils, and they feel like they are in bondage and they feel like things are happening to their lives that are out of their control. That makes you a victim.

Hebrews 2:8

(This is a scripture talking about what Christ did)

For in that He put all in subjection under him, He left nothing that is not put under him. But now we do not yet see all things put under him.

Now understand that the writer of this verse doesn't have the ability to see what you and I can see today. The scriptures that are being written are written in the timeframe when the "tribulation" was very very large in the land of Israel. Jerusalem was about to be destroyed, it was about to be overrun. Those people could have died any minute. So there is a lot of writing in the scripture that comes from a mentality of stress from the writer. That is why I suggest every person studies the words of Christ and they help you unlock the rest of the Scriptures.

English Transcript - Emerson Ferrell

Hebrews 2:9

But we see Jesus, who was made a little lower than the angels, for the suffering of death, crowned with glory and honor, that He, by the grace of God, might taste death for everyone.

You see these people were about to taste “physical death”. During the writings of these scriptures, they were about to undergo horrendous persecution. Death was a big issue during that time. When Jesus tasted death for everyone, that was the encouragement that these people needed during that time. And we should take encouragement from these words, because He tasted the “physical suffering” that everyone fears that operates in this world’s system.

Hebrews 2:14

Inasmuch then as the children have partaken of flesh and blood, He Himself likewise shared in the same, that through death He might destroy him who had the power of death, that is, the devil,

Say “destroyed”. He destroyed the devil, which controlled and who had the power over death. So what He did was He “took an axe” to this world’s system through His resurrection.

Hebrews 2:15

And release those who through the fear of death were all their lifetime subject to bondage.

So I told you the foundation of this world is in the fear of death, and I’m showing you how the resurrection of Christ destroyed that bondage and that fear. And yet it is good when we hear it, but we have to make it practical in our life. I will give you some examples.

Human beings wake up and the first thing they do is to start to think about their problems. One thought leads to another and all of a sudden you have this fear going on inside of you. You are always scanning the environment to see if there is a predator in the environment that can harm you. So you are no longer in the kingdom of heaven, where are you? You are living in the “world system” filled with scared and selfish people, because they don’t know what you know. They weren’t where you were. It’s your responsibility to be where you were, which is “in Him” before the foundation of the world.

You don’t feel your nose until you put your attention on it, but if you feel a symptom in your body immediately your mind begins to go down this rabbit hole of “what if it is this?”, “what if it is that?”, “what if I have to go to the doctor?” The flesh profits nothing.

From Concepts to Reality

English Transcript - Emerson Ferrell

What you think creates your world. Your thoughts are powerful. Your thoughts are electric, but your heart is magnetic. So the thoughts go out and your heart draws back what you are thinking about back to you. People that don't have any money, what are they thinking about? They are thinking about their lack of money. So what does the heart do? It brings you what you are thinking about. So you are going to live in the lack of money.

You are creative, you are born to be a creator.

John 10:34

Jesus answered them, 'Is it not written in your law, "I said, "You are gods"?"'

That means you are created to be a creator, but you create from the Kingdom of Heaven, not from the foundations of this world.

Spirit changes matter, matter cannot change matter.

The physical world is material, I call it "matter". Everything is created from atoms in the material realm, which is a piece of frequency of energy. It is 99.9999% spirit (energy) and 0.00001% material (particle, matter, physical).

So that material is what everything is physical that you see and that you navigate through. So out of all of the possibilities in the spirit dimension, we focus on that 0.00001%.

So when Jesus was talking to the man whose son was throwing himself in the fire, and everyone was despondent over this child who had this epileptic seizure, and Jesus told the father:

Mark 9:23

Jesus said to him, "If you can believe, all things are possible to him who believes."

So where was he believing from? He took him to the doctor, he took him to all of the material places to try to heal this disease, but transformation and change comes from the spiritual dimension, not from the physical dimension. All of us who are in Him before the foundation of the world, that is where you believe from. You can't make decisions in the foundations of this world, this world's system, because this profits nothing and science tells you that "matter cannot change matter".

Are you with me? How many of you know that you are a "spirit being", and your spirit doesn't live inside your flesh, your flesh lives inside The Spirit. So we have to have a different perception, we have to see things differently and we have to practice seeing things differently.

From Concepts to Reality

English Transcript - Emerson Ferrell

We have to be able to think greater than our environment if we want change in our life. If we can't think greater than what we respond to, then we will always be slaves to this dimension.

We don't live in "cause and effect", we "cause the effect". You have to get that. The only way you can get that is if you know your spirit.
