Utilização do Caderno de Caligrafia

O ideal na utilização do Caderno de Caligrafia é usá-lo de forma criativa. Passar a escrever com a **letra cursiva** pode significar um desafio para qualquer estudante.

Aprender a escrever o nome dos coleguinhas da classe ou a letra das músicas preferidas são atividades divertidas e cheias de significado.

Os **exercícios de caligrafia** nunca devem ser forçados nem cansativos. É preciso que as atividades sejam passadas com equilíbrio.

Uma boa opção é sugerir à criançada que use o caderno de caligrafia em branco para escrever frases curtas em vez de palavras e letras soltas, sem sentido. Já utilizei numa turma como um pequeno diário, onde eles escreviam um pequeno texto sobre seu dia. Até uma frase bastava.

Lembre-se de explicar à criança que a escrita é um instrumento de expressão do pensamento e de comunicação.

O Caderno pautado para caligrafia é útil para a criança:

- Aprimorar o controle do lápis;
- Observar melhor o traçado das letras;
- Diferenciar letras maiúsculas de minúsculas;
- Melhorar a escrita ilegível.

Mas NÃO deve ser usado para:

- Cópias exaustivas, principalmente como forma de castigo;
- Tarefas de casa;
- Adequar a letra ao padrão “perfeito” e “bonito”. Lembre-se que o que se espera é uma letra **LEGÍVEL**. O conceito de bonito ou feio é relativo.

Pesca doces, biscoitinhos,
