

# My Ghost Story

by:

It was All Hallows Eve and there was a \_\_\_\_\_ in the air. I was on my way to school when I noticed \_\_\_\_\_ coming from the old abandoned mansion at the end of the street. People always said \_\_\_\_\_ about that house. But I wasn't so sure. I met up with my friends at the bus stop and they too had noticed \_\_\_\_\_. One of them dared me to go inside the mansion. "I'll give you \_\_\_\_\_" they said. I agreed that tonight, after dark, I would sneak into the house. All day at school I worried about the bet. Had I made a mistake? As soon as school was over I rushed home to \_\_\_\_\_. If I was going to do this I needed to prepare. I packed a bag with \_\_\_\_\_. As it started to get dark and trick or treaters began to ring our door bell I knew it was time to go. I met up with my friends in the woods next to the mansion. Along the way I swear I could hear \_\_\_\_\_. Once I got to the mansion, I thought: \_\_\_\_\_. My freinds teased me and called me "chicken" so I summoned my courage and made my way down the narrow path to the front gate. When I opened the gate there was a loud \_\_\_\_\_ that made me \_\_\_\_\_. I continued along the path and thought I saw \_\_\_\_\_ in the shadows. Surprisingly the front door was already cracked open and there was a \_\_\_\_\_ coming from inside. I pushed the door open and stepped inside. I couldn't believe what I saw. Right there in front of me was \_\_\_\_\_. "I did it" I thought "I went inside the house, that was the bet, they never said I had to stay." I turned around to leave but \_\_\_\_\_. Sure enough before I knew it \_\_\_\_\_

*The End.*
