FUELING YOUR PASSION

60lb & 80lb INJECTORS

DEKA REPLACEMENTS

TRUSTED FITMENT. IMPROVED CONSISTENCY.

DeatschWerks offers a complete lineup of DEKA-style injectors with 60lb/hr and 80lb/hr options in both short and tall configurations. Each injector retains the familiar form factor while delivering improved flow consistency, spray quality, and complete tuning data for reliable, repeatable performance.

- 60lb/hr and 80lb/hr flow rates
- Short and tall fitment
- Precision flow matched and balanced within 2% of each other
- Complete injector characterization data available
