Palmer Cursive Practice Worksheets

You're never too old to improve your handwriting! These worksheets showcase the *Palmer Method of Penmanship*, a simple approach to writing. Unlike Spencerian script, the Palmer method has few flourishes, making it a good choice for students and daily handwriting.

Trace each letter pair, paying special attention to the height and shape of each letter. The last page is a blank practice sheet. Print as many as you need to master the basic alphabet. Enjoy!
